Ms. Jennifer Clark,

On behalf of Council Vice President, Miguel Arias, this email serves to formally appeal the Director's approval of Conditional Use Permit P19-00458: application to establish an alcohol license at 2999 South Orange Avenue. Given the oversaturation of liquor licenses in the area and efforts of the Responsible Neighborhood Market Ordinance, we ask that this matter be scheduled for consideration before the Planning Commission pursuant to FMC Section 15-5017.

Thank you,
