Supplemental Information:

Any agenda related public documents received and distributed to a majority of the City Council after the Agenda Packet is printed are included in Supplemental Packets. Supplemental Packets are produced as needed. The Supplemental Packet is available for public inspection in the City Clerk's Office, 2600 Fresno Street, during normal business hours (main location pursuant to the Brown Act, G.C. 54957.5(2)). In addition, Supplemental Packets are available for public review at the City Council meeting in the City Council Chambers, 2600 Fresno Street. Supplemental Packets are also available on-line on the City Clerk's website.

Americans with Disabilities Act (ADA):

The meeting room is accessible to the physically disabled, and the services of a translator can be made available. Requests for additional accommodations for the disabled, sign language interpreters, assistive listening devices, or translators should be made one week prior to the meeting. Please call City Clerk's Office at 621-7650. Please keep the doorways, aisles and wheelchair seating areas open and accessible. If you need assistance with seating because of a disability, please see Security.

An aerial photograph of a city street grid, showing a mix of residential and commercial areas. The text 'ELM AVENUE REVITALIZATION STRATEGY' is overlaid in large, bold, green capital letters. The text is centered horizontally and vertically, with 'ELM AVENUE' on the top line, 'REVITALIZATION' on the middle line, and 'STRATEGY' on the bottom line. The background shows a dense network of streets and buildings, with some areas appearing more developed than others. The colors are somewhat muted, with a lot of browns and greys from the buildings and roads, and some green from trees and vegetation.

COMMUNITY PRIORITIES

ELM AVENUE VISION

Elm Avenue should establish a positive image through **murals, signage, tree planting, and streetscape improvements.**

The Avenue will attract **a variety of stores and businesses**, making it convenient for neighborhood residents to get what they need and want.

Elm Avenue and its adjoining neighborhoods will provide **places for youth and people of all ages to recreate.**

Elm will have **strong connections** to its surrounding neighborhoods, key destinations in Southwest, Downtown, and agriculture.

Revitalization will be sparked by **community initiatives**, assisted by **creative partnerships and funding**.

VISION COMPONENTS

Streetscape improvements, identity graphics, murals, trees, high-quality bike facilities and bus service, and a strong connection to downtown

Stores and businesses,
with concentrations
around Elm/Jensen and
Elm/North as well as all
along the corridor

More street and pedestrian connections to surrounding neighborhoods

Places for youth and people of all ages to recreate, learn and thrive

Property Owner (PO)

Regulatory Agency (RA)

Community Members and Neighbors (CN)

Local Government (LG)

If soil and/or groundwater samples are above screening levels, this is an indication that there may be potential threats and cleanup goals should be established. QEP can then prepare alternative approaches to cleaning up the parcel and submit to RA for approval. Strategies will be evaluated for effectiveness, implementability and cost.

If cleanup is to less than residential standard will require Activity & Use Limitations (AULs) to prevent future exposure to residual contaminants left in place.

ST. REST PLAZA AND ST. REST GREEN

28, 29

Property Owner (PO)

**Community Members
and Neighbors (CN)**

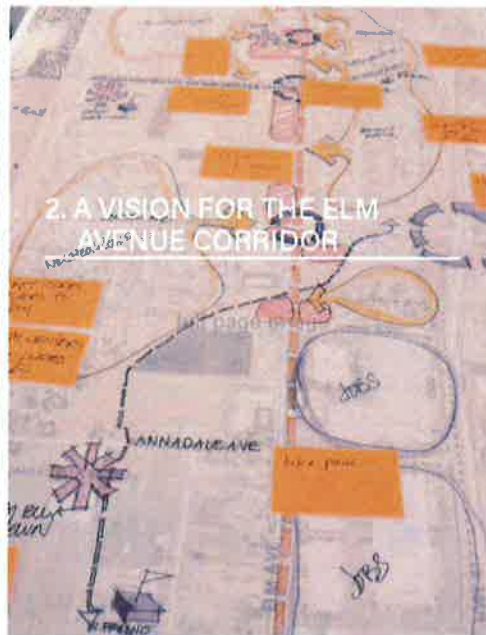

Local Government (LG)

St. Rest, the City, and community leaders have come together to create a temporary plaza. The plaza for community gatherings with food, music, and vendors.

St. Rest is developing an open play area, a community building, a multi-use field and an open-air gym. The Church should continue to seek funding for green enhancements.
