Hi Raj,

Thank you for the productive meeting and for your followup note.

As we discussed, regarding VTTM 6131, Lennar Homes is seeking an extension to October 20, 2020.

Lennar Homes agrees to the imposition of current fees, not vested fees, with the understanding that the planning, zoning, and building laws/standards will be the vested laws/standards, not current standards.

Please let me know if you need anything else from me in this regard.

Thanks, Raj.

Happy Holidays!

Mike
