Re: Appeal of Planning & Development Department Director to Deny Conditional Use Permit Application No. P20-01891 for property located at 4395 W. Ashlan Avenue (APN: 511-240-01)

**Appellant: Paramveer Food & Fuel Inc.
4395 W. Clinton Avenue
Fresno CA 93722**

Dear Ms. Clark:

I am the CEO of Paramveer Food & Fuel Inc., which owns and operates a Type 20 establishment (sale of off-site beer and wine only) by the name of Johnny Quik Food Store #175. As you know, we had applied for Conditional Use Permit Application No. P20-01891 to upgrade our ABC Type 20 License to Type 21 License, which was denied by the Director of Planning & Development Department.

I would like to appeal the decision and request to schedule hearing in front of the City of Fresno Planning Commission at the earliest available date.

Please contact me if you have any questions.

Very truly yours,

Rajdeep Singh
