#### Briefly explain why are you interested in serving on this board or commission?

I've had an opportunity to serve on this commission for one term, and after serving one term I've found myself really involved in the successful accomplishment the youth commission has done. Ever since I had an opportunity to serve I have felt my voice has been more heard and my ideas have been took into consideration with the commission. Being involved in my community is very big for me and something I would continue trying to do if I was off the youth commission as well, but being on the commission gives me positive ideas about how to help the youth especially while talking it out with my peers. The youth commission is something that means a lot to me and I'm willing to commit to a second term.
