WHEREAS, on February 17, 2021, the Fresno City Planning Commission held a public hearing to consider Plan Amendment Application No. P20-00635 and the associated Environmental Assessment No. P20-00635/P20-00636; and

WHEREAS, the Fresno City Planning Commission took action, as evidenced in Planning Commission Resolution No. 2021-01, to recommend approval of Plan Amendment Application No. No. P20-00635, which proposes to amend the Fresno General Plan and the Roosevelt Community Plan to change the planned land use designations for the subject property from Residential Urban Neighborhood ( $\pm 3.53$  acres), Commercial Community ( $\pm 2.15$  acres), and Light Industrial ( $\pm 5.90$  acres) to the Residential High Density ( $\pm 3.4$  acres), Commercial Community ( $\pm 6.5$  acres) and Light Industrial ( $\pm 2.2$  acres) planned land uses; and

WHEREAS, on March 4, 2021, the Fresno City Council held a public hearing to consider Plan Amendment Application No. P20-00635 and received both oral testimony and written information presented at the hearing regarding Plan Amendment Application No. P20-00635.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Fresno, based upon the testimony and information presented at the hearing and upon review and consideration of the environmental documentation provided, as follows:

1. The Council finds in accordance with its own independent judgment that with all applicable project specific mitigation measures imposed, there is no substantial evidence in the record that Plan Amendment Application P20-00635 may have less than significant effects with mitigation on the environment that were not identified in the Fresno General Plan Master Environmental Impact Report SCH No. 2012111015 ("MEIR"); and, that all applicable mitigation measures of the MEIR have been applied to the project,

together with project specific mitigation measures necessary to assure that the project will not cause significant adverse cumulative impacts, growth inducing impacts, and irreversible significant effects beyond those identified by the MEIR as provided by CEQA Section 15178(a). Therefore, it has been determined based upon the evidence in the record that the project will not have a significant impact on the environment and that the filing of a Mitigated Negative Declaration is appropriate in accordance with the provisions of CEQA Section 21157.5(a)(2) and CEQA Guidelines Section 15178(b)(1) and (2). Accordingly, the Council adopts the Mitigated Negative Declaration, prepared for Environmental Assessment No. P20-00635/00636, dated February 10, 2021.

2. The Council finds the adoption of the proposed plan amendment as recommended by the Planning Commission is in the best interest of the City of Fresno.

3. The Council of the City of Fresno hereby adopts Plan Amendment Application No. P20-00635 amending the Fresno General Plan and Roosevelt Community Plan planned land use designations for the subject properties from the Residential Urban Neighborhood (±3.53 acres), Commercial Community (±2.15 acres), and Light Industrial (±5.90 acres) to the Residential High Density (±3.4 acres), Commercial Community (±6.5 acres) and Light Industrial (±2.2 acres) planned land use, as depicted by Exhibit “A” attached hereto and incorporated herein by reference.
