Good morning Mr. Holt,

I received a notice in the mail regarding a hearing to rezone an area that would involve a property that I own. Unfortunately, I received the notice this week and was unable to participate in the hearing, however, I approve of this move to rezone the area and would like to know any information as to the status of this request and the outcome of the hearing. Attached is a copy of the notice I received.

Thank you for your assistance.

Thank you, Flor Sequeira (559)801-3175
