Re: Cast in Place Site Concrete Substitution Letter

Mr. Lenhof,

Please let this letter serve as Klassen's written request to substitute its listed Cast in Place Concrete subcontractor Total Concrete Services with Celtic Construction Inc.

We make this request pursuant to Public Contract Code Section 4107 (a) (3) which states: "When the subcontractor listed fails or refuses to perform his or her subcontract."

Please note that Klassen Corporation has had an executed contract with Total Concrete Services since November 3, 2020. Since then, Total has completed two weeks of work. Their work performance is unacceptable. For your reference, the information for Celtic Construction Inc. is as follows:

Celtic Construction Inc.  
Beau Fitzpatrick  
President/Owner  
2491 North Miami Avenue  
Fresno Ca. 93727  
559-291-4600  
Contractor's License Number 770330  
DIR #1000021833

Please let me know if you have any questions.

Sincerely,

Ryan Inglehart  
Director of Construction
