EXECUTIVE SUMMARY

The Fresno Unified School District (FUSD), in an effort to provide a safe learning environment for students attending district high schools and middle schools, has agreed to fund eleven Student Resource Officers (SRO) at 100% and one Sergeant at 90% of the Police Department's actual rates from July 1, 2018 to June 30, 2021.

The other SRO is assigned to Fort Miller middle school located in Fresno. Assignment is during the standard school year and normal hours of operation; subject to the availability of the SRO. For purposes of the attached agreement, "availability" shall be at the sole determination of the Chief of Police, or designated representative, taking into consideration any factors including, without limitation, health of officer, shortage of manpower, funding, and duty assignment of officer(s) to higher priority matters. BACKGROUND

In August of 1993, the Police Department and FUSD established a Memorandum Of Understanding to have a Student Resource Officer Program at local area High Schools. The success of the Student Resource Officer Program showed that students can build trust relationships with law enforcement officials where officers participate in mentoring, counseling and restorative justice practices at school sites.

The focus area of this partnership is improving safety for children attending each high school in the City of Fresno. These areas contain predominantly non-owner occupancies, with many of the residents living below the poverty level. Common risk factors include lack of education, uninvolved parents, missing economic opportunities, and an overall void in resources, which create a fertile field for gang membership and drug involvement in and around many of these school sites.

The City Attorney's Office has reviewed and approved as to form the proposed Fourth Amendment to PAR No. 2017-166.

ENVIRONMENTAL FINDINGS:

This is not a "project" for the purposes of the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines Section 15378.
