SUBJECT

RESOLUTION - Of Intention to annex territory, Assessor's Parcel Numbers 408-070-23, 32 and 33, as Annexation No. 10, to City of Fresno Community Facilities District No. 9 (Southeast corner of N. Fresno Street and E. Herndon Avenue) (Council District 6)

RECOMMENDATION

Adopt Resolution of Intention to annex territory, Assessor's Parcel Numbers 408-070-23, 32 and 33, to City of Fresno Community Facilities District No. 9 ("CFD No. 9").

EXECUTIVE SUMMARY

The landowner has petitioned the City of Fresno ("City") to have Assessor's Parcel Numbers 408-070-23, 32 and 33 annexed to CFD No. 9 to provide funding for the operation and reserves for maintenance ("Services") pertaining to the landscaping and irrigation systems, concrete curbs and gutters, valley gutters, curb ramps and sidewalks, and street lighting within the City rights-of-way along the frontage of East Herndon Avenue and North Fresno Street. The cost for Services for these improvements totals \$4,515 annually for fiscal year 2015-2016. Assessor's Parcel Numbers 408-070-23, 32 and 33 are located entirely in the Fresno City Limits. The Resolution of Intention begins the process, sets the required public hearing for May 19, 2016, at 2:00 p.m., and defines the steps required to complete the annexation. (Reference attached location map.)

BACKGROUND

New commercial, industrial, and multi-family subdivisions and parcel maps have different needs and standards than those of a standard single-family residential subdivision. Commercial, industrial and multi-family subdivisions are traditionally self-maintained with different proprietary requirements for landscaping, signage and general designs. CFD No. 9 is designed to accommodate these requirements by providing funding for services for certain required public improvements along the perimeters of these developments. On December 16, 2008, the Council of the City of Fresno adopted Council Resolution No. 2008-351, forming CFD No. 9 to provide funding for the Services for certain public improvements located within and adjacent to public streets on the perimeter of commercial, industrial and multi-family subdivisions as described and permitted pursuant the Goals and Policies for CFD No. 9 and the City of Fresno Special Tax Financing Law, Chapter 8, Division 1, Article 3 of the Fresno Municipal Code ("City Law") and the Mello-Roos Community Facilities Act of 1982 (Chapter 2.5, commencing with Section 53311, of Part 1, Division 2, Title 5 of the California Government Code).

The landowner has petitioned the City to have Assessor's Parcel Numbers 408-070-23, 32 and 33 annexed to CFD No. 9 to provide funding for the Services pertaining to the landscaping and irrigation systems, concrete curbs and gutters, valley gutters, curb ramps and sidewalks, and street lighting within the City rights-of-way along the frontage of East Herndon Avenue and North Fresno Street. (Reference attached location map.)

The attached Resolution initiates the annexation process, sets the public hearing for May 19, 2016, at 2:00 p.m., sets the Maximum Special Tax at a total of \$4,515 to be apportioned proportionately for each assessor's parcel within Annexation No. 10 annually for FY2015-16, and that the maximum special tax may be adjusted annually at the discretion of the City at +3% plus the increase, if any, in the Construction Cost Index for the San Francisco Region.

Annexations to existing community facilities districts are permitted under City Law. The legislative body must follow certain prescribed procedures as outlined below:

- Adoption of a Resolution of Intention to Annex to CFD No. 9
- Required 7-day minimum Notice of Public Hearing
- Public hearing on Annexation and Levy of Special Tax
- Call a Special Mailed-Ballot Election on the proposed Special Tax
- Declare the Results of the Election
- Formal Adoption of Special Tax Levy (if election passes)

The attached Resolution has been approved as to form by the City Attorney's Office.

ENVIRONMENTAL FINDINGS

By the definition provided in the California Environmental Quality Act Guidelines Section 15378 this hearing does not qualify as a "project" and is therefore exempt from the California Environmental Quality Act requirements.
