Development Services Division

**SUBJECT**

**(CONTINUED FROM 10:10 A.M.)**

Consideration of Text Amendment Application No. P20-02212 and related Environmental Finding for Environmental Assessment No. P20-02212, sections 15-2706, 15-6801 and 15-6802 of the Fresno Municipal Code, to be titled the Responsible Neighborhood Market Act and relating to the use regulations for alcohol sales.

1. ADOPT Environmental Assessment No. P20-02212, dated July 29, 2020, that Text Amendment Application No. P20-02212 is exempt from the California Environmental Quality Act (CEQA) pursuant to the common sense exemption that it can be seen with certainty that there is no possibility that the proposed Text Amendment may have a significant effect on the environment pursuant to CEQA Guidelines Section 15061(b)(3).
2. BILL (For introduction) - Amending Sections 15-2706, 15-6801, and 15-6802 to the Fresno Municipal Code, relating to the use regulations for alcohol sales.
3. RESOLUTION - Of the Council establishing the Responsible Neighborhood Market Act Committee

## RECOMMENDATIONS

**Staff recommends that the City Council take the following actions:**

1. ADOPT Environmental Assessment No. P20-02212, dated July 29, 2020, that Text Amendment Application No. P20-02212 is exempt from the California Environmental Quality Act (CEQA) pursuant to the common sense exemption that it can be seen with certainty that there is no possibility that the proposed Text Amendment may have a significant effect on the environment pursuant to CEQA Guidelines Section 15061(b)(3).
2. BILL (For introduction) - Amending Sections 15-2706, 15-6801, and 15-6802 to the Fresno Municipal Code, relating to the use regulations for alcohol sales.

## EXECUTIVE SUMMARY

Text Amendment Application No. P20-02212 was initiated pursuant to Fresno City Council Resolution No. 2019-090 (**Exhibit A**).

In May 2019, the proposed Text Amendment was initiated by the Fresno City Council. The resolution proposes to retitle section 15-2706 of the Development Code to “The Responsible Neighborhood Market Act” and proposes additional regulations for locations that sell alcohol for off-site consumption.

The proposed text amendment would require additional regulations be met prior to obtaining an off-site alcohol sales license with the Alcohol Beverage Control Department (ABC).

## Fresno City Planning Commission Action

Pursuant to the requirements of Fresno Municipal Code section 15-5806 (and 15-5007.D), notice of the Planning Commission public hearing was published in the *Fresno Bee* on July 24, 2020. Section 15-5007-D allows the posting of a public hearing notice, in at least one newspaper of general circulation, as an alternative noticing method for large mailings.

The subject applications were considered by the Fresno City Planning Commission at its meeting on

September 2, 2020. One member of the public spoke in support of project at the hearing.

After hearing testimony from city staff, the Planning Commission voted to recommend approval of the proposed applications by a vote of 7-0 (7 in favor, 0 in opposition)

## **BACKGROUND / ANALYSIS**

Text Amendment Application No. P20-02212 was initiated pursuant to Fresno City Council Resolution No. 2019-090 (Exhibit A) to amend use regulations for off-site alcohol sales uses within the City of Fresno.

The proposed Text Amendment was initiated after the Fresno City Council adopted Resolution No. 2019-090, titled the Responsible Neighborhood Market Act. The Responsible Neighborhood Market Act proposed additional standards that establishments must meet in order to obtain a Conditional Use Permit (CUP) to sell alcoholic beverages for off-site consumption. The proposed text amendment would amend the Citywide Development Code to include these standards in order to operate an alcohol-sale use and obtain an alcohol license with the ABC.

The proposed text amendment to the Citywide Development Code proposes to amend use regulations for alcohol sales uses within the City of Fresno. The proposed Text Amendment would apply to any proposed new establishment or any existing establishment that requests to modify their alcohol or business license type(s), reinstate their alcohol or business license(s) after an expiration, surrender or revocation, extend their hours of alcohol sales, or expand their floor area for retail sales of alcohol. Any new or expanded use will be required to obtain a CUP in compliance with the proposed amendment to the Citywide Development Code.

The proposed Text Amendment does not relate to any physical project and will not result in any physical change to the environment. The approval of this text amendment does not approve any development or specific project. Rather, it clarifies the additional requirements of operating an alcohol use in the City.

The regulations are for establishments that sell alcoholic beverages for off-site consumption. These establishments possess certain characteristics that have the potential to cause deleterious effects and nuisances on surrounding neighborhoods and businesses, especially when such establishments are concentrated near one another. In order to ensure that establishments operate in a manner that is mutually beneficial to surrounding uses and to also provide mechanisms to prevent and correct any associated problems, the proposed Text Amendment provides special regulations.

## **Summary of Text Amendment**

Text Amendment Application No. P20-02212 proposes to amend Section 15-2706 of the Citywide Development Code that conditionally permits alcohol uses in Mixed Use, Commercial, Employment, Public and Semi-Public, and Downtown zone districts. As proposed, the proposed Text Amendment includes:

- 1. Changes to the Location Restrictions for New Establishments.** The proposed Text Amendment would restrict new establishments from being located within 1,000 feet from sensitive uses and other alcoholic beverage establishments. The current location restriction vicinity is 500 feet. These location restrictions shall not apply to existing establishments that

must obtain a CUP pursuant to this ordinance due to proposed expansion or improvement of an existing use that is currently operating pursuant to a CUP issued prior to the effective date of this ordinance unless that proposed expansion or improvement is a necessary repair or only with respect to bringing the existing building into compliance with current Building, Fire or Electrical Codes.

- 2. Implementation of a Citywide Ratio.** No establishment shall be granted a Conditional Use Permit under this Section if the number of sites selling alcohol for off-site consumption will exceed one license per 2,500 residents.
- 3. Additional regulations to permitted signage.** Displays of alcoholic beverages, freestanding advertising structures of any kind such as cardboard floor stands, or other free-standing signs shall be prohibited within 10 feet of consumer entrance points, shall not be visible from the exterior of the establishment, and shall be prohibited on the exterior of the establishment.
- 4. Exceptions to Prohibited Products and Single Containers.** Allows craft beer to be packaged and sold in a single 22 oz. bottle.
- 5. Implementation of a Surrender and Transfer ratio.** New establishments shall transfer and surrender the following number of ABC licenses in good standing, from within a Council District identified as having an overconcentration of ABC licenses for off-sale use, as determined by the Director following review of data prepared by the California Department of Alcoholic Beverage Control, as depicted in Table 15-2706. The surrender of the license is to the Alcoholic Beverage Control.

<b>Retail Floor Area</b>	<b>Transfer</b>	<b>Surrender</b>
Less than 10,000 square feet	2	1
10,000 to 30,000 square feet	3	2
More than 30,000 square feet	4	3

Additionally, Text Amendment Application No. P20-02212 proposes to amend Sections 15-6801 and 15-6802 of the Fresno Municipal Code to clarify the definition of Craft Beer in order to provide an exception to single containers sold for off-site consumption. The Text Amendment proposes to amend Section 15-6801 to include the term Craft Beer to the Development Code’s List of Terms and Section 15-6802 to include the definition of Craft Beer as the following:

*A beer or malt beverage manufactured by a brewer with an annual production of six million barrels of beer or less, where less than 25 percent of the craft brewery is owned or controlled by an alcohol industry member, and where a majority of total beverage alcohol volume is beer that derives flavor from traditional or innovative brewing ingredients and their fermentation.*

**Airport Land Use Commission**

The Fresno County Airport Land Use Commission (ALUC) reviewed the proposed text amendment on August 6, 2020. The ALUC voted unanimously to recommend approval of the proposed text amendment.

## **Council District Advisory Committees**

The recommendations of the Council District Plan Implementation Committees are as noted below.

### Council District 1

On August 6, 2020, the Council District 5 Plan Implementation Committee voted 3-0 to recommend approval of the proposed text amendment.

### Council District 2

On July 13, 2020 the Council District 2 Plan Implementation Committee voted 4-0 to recommend approval of the proposed text amendment.

### Council District 3

On July 28, 2020, the Council District 3 Plan Implementation Committee voted 6-0 to recommend approval of the proposed text amendment.

### Council District 4

On July 27, 2020, the Council District 4 Plan Implementation Committee voted 3-0 to recommend approval of the proposed text amendment.

### Council District 5

On August 10, 2020, the Council District 5 Plan Implementation Committee voted 3-0 to recommend approval of the proposed text amendment.

### Council District 6

On July 20, 2020, the Council District 6 Plan Implementation Committee voted 7-0 to recommend approval of the proposed text amendment.

### Council District 7

There is no Council District 7 Plan Implementation Committee at this time.

### Fulton-Lowell

On August 3, 2020 the Lowell District Advisory Committee voted 3-0 to recommend approval of the proposed text amendment.

### Tower District

On July 28, 2020 the Tower District Advisory Committee voted 3-0 to recommend approval of the proposed text amendment.

## **Development Code Text Amendment Findings**

The Planning Commission shall not recommend and the City Council shall not approve an application unless the proposed amendment meets the following criteria, as set forth in Fresno Municipal Code section 15-5811:

1. The Code text amendment is consistent with the General Plan, the Fresno County Airport Land Use Compatibility Plan, and any applicable operative plans; and

*Response:* Each project applying for a conditional use permit under the proposed text amendment will be individually reviewed and assessed for consistency with the General Plan,

the Fresno County Airport Land Use Compatibility Plan, the underlying base zone district, and any applicable specific or community plans. Text Amendment Application No. P20-02212 has been examined with respect to its consistency with the Fresno General Plan and applicable operative plans and it was concluded that Text Amendment Application No. P20-02212 is consistent with said plans.

2. The amendment is consistent with the purpose of the Development Code to promote the growth of the city in an orderly and sustainable manner and to promote and protect the public health, safety, peace, comfort, and general welfare.

*Response:* The purpose of the proposed text amendment is to provide a process for locations that sell alcohol with a new or expanded alcohol license for off-site consumption to comply with new regulations and provisions, which will promote the growth of the city in an orderly and sustainable manner. The additional regulations of the proposed Text Amendment seek to promote and protect the public health, safety and general welfare beyond what the current Code requires. The proposed text amendment was routed to responsible agencies, including the Fresno Police Department, Fresno Fire Department, and all school districts within City limits, for comment regarding its impacts to public health, safety, peace, comfort, and general welfare. No such impacts were identified thus it can be concluded that Text Amendment Application No. P20-02212 is consistent with the purpose of the Development Code.

## ENVIRONMENTAL FINDING

An environmental assessment was prepared for this project in accordance with the requirements of the California Environmental Quality Act (CEQA) Guidelines.

CEQA Guidelines Section 15061(b)(3) states that a project is exempt from CEQA if it is “covered by the common sense exemption that CEQA applies only to projects which have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA.”

Staff has conducted a preliminary review of the project and has determined that it is exempt from CEQA pursuant to CEQA Guidelines Section 15061 (b)(3) under the common sense exemption that CEQA applies only to projects which have the potential for causing a significant effect on the environment. The proposed Text Amendment changes the Zoning Code and establishes a framework for future land use planning and approvals and does not commit the City to any specific project, or development on any particular site. It does not intensify the use of alcohol sales beyond what is already in place. Further, the proposed Text Amendment requires that future applications for off-site consumption alcohol sales meet the additional regulations to obtain discretionary approval from the City via a CUP, at which time the particular impacts of each known proposed project will be assessed. Because the text amendment merely creates a procedure for applying for an alcohol license and does not approve any individual CUPs with its adoption, it can be seen with certainty that there is no possibility that adoption of the Text Amendment may have a significant effect on the environment. Therefore, this action is exempt from CEQA pursuant to CEQA Guidelines Section 15061 (b)(3); the Environmental Assessment is attached as **Exhibit C**.

## Notice of City Council Hearing

Pursuant to the requirements of Fresno Municipal Code section 15-5806 (and 15-5007.D), notice of this public hearing was published in the *Fresno Bee* on September 4, 2020, which is at least 10 days prior to the public hearing. Section 15-5007-D allows the posting of a public hearing notice, in at least one newspaper of general circulation, as an alternative noticing method for large mailings.

## **CONCLUSION**

The appropriateness of the proposed text amendment has been examined with respect to its consistency with stated goals of the Fresno General Plan; compatibility with surrounding existing and proposed uses; and avoidance or mitigation of potentially significant adverse environmental impacts. These factors have been evaluated as described above and by the accompanying environmental assessment. Upon completion of this evaluation, it can be concluded that Text Amendment Application No. P20-02212 is appropriate.

## **LOCAL PREFERENCE**

Local preference was not considered because this project does not include a bid or award of a construction or service contract.

## **FISCAL IMPACT**

Affirmative action by the Council will result in timely deliverance of the review and processing of the applications as is reasonably expected by any future applicants. Prudent financial management is demonstrated by the expeditious completion of land use applications inasmuch as the applicant will be required to the city a fee for the processing applications and those fees are, in turn, funding the respective operations of the Planning and Development Department. However, there are no anticipated fiscal impacts of this application because the proposed text amendment creates a framework for future applications.
