EXECUTIVE SUMMARY

On November 29, 2018, the Council of the City of Fresno ("Council") adopted Council Resolution No. 2018-267 with the intent to annex territory to Community Facilities District No. 11 (CFD No. 11) at the request of the landowners of Final Tract Map No. 6165, Assessor's Parcel Number 316-022-62, and Assessor's Parcel Number 316-022-63. The quantities and types of Services have increased costs for Services and modification is required to reflect the increase of the annual Maximum Special Tax from \$185,660.00 to \$193,619.00 for fiscal year 2018-2019. This is the noticed public hearing to consider these modifications and to annex Final Tract Map No. 6165 and the territory known as Assessor's Parcel Number 316-022-62, and Assessor's Parcel Number 316-022-63 as Annexation No. 90 to CFD No. 11 to provide funding for the maintenance Services associated with this development. If approved, the recommended resolutions and ordinance will modify Council Resolution No. 2018-267 and levy a Special Tax on the properties within Annexation No. 90 for identified Services. (See attached location and features map).

BACKGROUND

The landowner of Final Tract Map No. 6165 has petitioned the City of Fresno to annex to CFD No. 11 to provide funding for the Services pertaining to certain required public improvements within the

public easements and Outlot A as associated with Final Tract Map No. 6165. These improvements include landscaping, trees, irrigation systems, concrete curb & gutter, sidewalks, curb ramps, and median curb with hardscaping, street name signage, street lights, and local street paving. Facilities within Outlot A will also include, without limitations, a StormTech drainage system, check valve, park amenities, basketball court, exercise equipment, hardscaping, and trail lighting and a trail connection to the south. The landowners of Assessor's Parcel Number 316-022-62, and 316-022-63 have also made a request to annex to CFD No. 11 to share with the costs for all Services for Outlot A and the trail connection upon development their properties. The City of Fresno has agreed to allow these two parcels to share in the costs upon development as defined in the Rate and Method of Apportionment of Special Tax, attached to the Annexation Resolution as Exhibit B.

Pursuant to this petition, the Council adopted Council Resolution No. 2018-267 on November 29, 2018, declared its intention to annex territory to CFD No. 11, and set the public hearing for formal consideration. Council Resolution No. 2018-267 also directed the preparation of a written report describing the Services and the costs of those Services and to file a report with the City Clerk.

Additional types of Services and increased quantities of facilities were requested by the landowners to be added to Annexation No. 90 for maintenance. This modification increases the total Maximum Special Tax from \$185,660.00 to \$193,619.00 for fiscal year 2018-2019. A Modified District Report has been prepared and analyzed reflective of these modifications and is on file with the City Clerk and apart of this hearing.

As adopted by Council, Council Resolution No. 2018-267 proposed a total Maximum Special Tax of \$185,660.00 and now is proposed to be modified to show an increase to \$193,619.00. This requires Council Resolution No. 2018-267 to be modified to adjust the Special Tax and is accomplished with the following two additional resolutions:

1. The first is Council direction to analyze the proposed change to Council Resolution No. 2018-267 in a Modified District Report.
2. The second is for Council to approve the Modified District Report and to Modify Council Resolution No. 2018-267.

The annexation to CFD No. 11 requires three additional resolutions and ordinance.

3. The third resolution annexes territory to CFD No. 11 and authorizes the levy of the special tax if the tax is approved by a special election of the property owners.
4. Resolutions 4 and 5 conduct the special election approving the special tax.
5. The ordinance approves the levy of the special tax.

Today's public hearing has been duly noticed and the attached ordinance and resolutions have been approved as to form by the City Attorney's Office.

ENVIRONMENTAL FINDINGS

By the definition provided in the California Environmental Quality Act Guidelines Section 15378 this hearing does not qualify as a "project" and is therefore exempt from the California Environmental Quality Act requirements.

LOCAL PREFERENCE

Local preference was not considered because this hearing does not include a bid or award of a construction or services contract.

FISCAL IMPACT

No City funds will be involved. All costs for services will be borne by the property owners within the subject tract.
