**REPORT TO THE CITY COUNCIL**

**April 13, 2017**

**FROM:** DOUG SLOAN, City Attorney  
City Attorney's Office

**SUBJECT**

RESOLUTION - Approving the reallocation of \$50,000 from contingency in the City Attorney's budget to hire a Budget Analyst

**RECOMMENDATION**

It is recommended that Council approve the attached resolution allocating \$50,000 from contingency to the City Attorney's budget to fund a budget analyst.

**EXECUTIVE SUMMARY**

The City Attorney's Office budget contains a \$50,000 contingency for analysts for the City Attorney's Office. Council now wishes to remove the \$50,000 from contingency and use it to fund a budget analyst through the City Attorney's Office. This reallocation does not increase appropriations; it moves existing appropriations from the contingency account to the outside professional services/consulting account.

**ENVIRONMENTAL FINDINGS**

This is not a project for CEQA purposes.

**LOCAL PREFERENCE**

Not applicable.

**FISCAL IMPACT**

This reallocation does not increase appropriations; it moves existing appropriations from contingency into the outside professional/consulting services account.
