REPORT TO THE CITY COUNCIL

December 13, 2018

FROM: BRYON HORN, Chief Information Officer
Information Services Department

SUBJECT

Approve Service Agreement with Granicus, LLC, for annual subscription renewal for software suites and services in the amount of \$94,107.88.

RECOMMENDATION

Staff recommends Council authorize the Chief Information Officer to enter into a one-year Service Agreement (Agreement) between the City of Fresno (City) and Granicus, LLC (Granicus) for the annual subscription renewal for software suites and services in the amount of \$94,107.88.

EXECUTIVE SUMMARY

On August 16, 2013, City entered into a Service Agreement with Granicus for software and services in the amount of \$46,660.00. Multiple amendments have been executed since 2013 adding additional products and services. In order to combine and true-up the original Service Agreement and past amendments, City desires to enter into a new Agreement with Granicus encompassing all past and current products, services and software suites into one annual renewal subscription fee.

BACKGROUND

On August 16, 2013, City entered into a Service Agreement with Granicus for software and services for a one-time amount of \$28,900, in addition to \$1,480 per month, for a total annual subscription fee of \$46,660.00 (see Attachment A).

On September 12, 2017, City and Granicus entered into the First Amendment to the Service Agreement to add certain additional products and services bringing the annual subscription fee to \$47,422.80 (see Attachment B).

On March 30, 2018, City and Granicus entered into the Second Amendment to the Service Agreement for additional products and services for a one-time fee of \$8,475 and an additional amount of \$8,400 per year, and also extending the Agreement to October 31, 2018 (see Attachment C).

On September 27, 2018, Council approved a Resolution Amending Council Rules of Procedures and the Third Amendment to the Service Agreement for additional products and services for a one-time fee of \$4,500 and an additional amount of \$31,200 per year (see Attachment D).

In order to encompass all past and current Third Amendment(s) and the current Proposal into one new agreement, City now desires to enter into a one-year Service Agreement with Granicus for the annual subscription renewal for all software and services, and the current one-time fee as noted in Granicus Proposal for the City of Fresno (Attachment E).
