**SUBJECT**

**RESOLUTION** - Approving the Final Map of Tract No. 5449 and accepting dedicated public uses offered therein - northeast corner of East Butler Avenue and South Villa Avenue (Council District 5)

**RECOMMENDATION**

Staff recommends the City Council adopt a resolution approving the Final Map of Tract No. 5449 and accepting the dedicated public uses offered therein, to authorize the Public Works Director or his designee to execute the subdivision agreement on behalf of the City.

**EXECUTIVE SUMMARY**

The Subdivider, Lennar Homes of California, Inc., a California Corporation (Mike Miller, Vice President), has filed for approval, the Final Map of Tract No. 5449, of Tentative Map No. 5449, for a 101-lot single-family residential subdivision with one outlot for landscaping and pedestrian access purposes, located on the northeast corner of East Butler Avenue and South Villa Avenue on 25.26 acres.

## **BACKGROUND**

The Fresno City Planning Commission on February 15, 2006 adopted Resolution No. 12401 approving Tentative Map No. 5449 (Tentative Map) for a 101-lot single-family residential subdivision with one outlot on 25 acres at an overall density of 4.0 units per acre. The Tentative Map was approved consistent with the Fresno General Plan and the Roosevelt Community Plan to comply with the provisions of the Subdivision Map Act. The approval of Tentative Map No. 5449 will expire on February 15, 2019. The Final Map is technically correct and conforms to the approved Tentative Map, the Subdivision Map Act and the Fresno Municipal Code. The provisions of Section 66474.1 of the Subdivision Map Act require a final map that is in substantial compliance with the approved tentative map to be approved by the City Council.

The Subdivider has satisfied all other conditions of approval by executing the Subdivision Agreement for Tract No. 5449, submitted securities in the total amount of \$2,996,000.00 to guarantee the completion and acceptance of the public improvements and \$1,498,000.00 for a payment security and has paid the miscellaneous and development impact fees due as a condition of approval for the Final Map in the amount of \$149,818.80. Covenants have been executed to defer eligible development impact fees totaling \$931,084.11 to the time of issuance of building permit and final occupancy of each unit, for annual CFD-11 assessment notification, for acknowledgement of right-to-farm law and for restriction of single story homes for certain lots. The City Attorney's Office has approved all documents as to form and the Risk Management Division has approved all security bonds and insurance certificates.

**MAINTENANCE DISTRICT:** A condition of approval of the Tentative Map is to maintain all landscaped areas, trees (including historical Olive trees) and irrigation systems, above ground improvements, including concrete curbs and gutters, valley gutters, traffic calming curbs and hardscaping, sidewalks, curb ramps and paseo walkways, street name signage, street lights and local street paving associated with the Final Map in accordance with the adopted standards of the City. The Final Map will share costs for all services in common with all final maps annexed to the Community Facilities District No. 11 (CFD-11) within the Tentative Map. The Subdivider has satisfied the maintenance requirement by annexing the subdivision into the City's CFD-11 on April 6, 2017.

The Subdivider has executed the covenant for Maintenance of Certain Improvements and as a condition of the Subdivision Agreement, is required to provide every prospective purchaser of each lot of the subdivision the "Notice of Special Tax", in accordance with the provision of Section 53341.5 of the California Government Code. The maximum annual assessment is \$462.97 per lot with an annual 3% adjustment plus the increase, if any, in the construction cost index for the San Francisco Region.

## **ENVIRONMENTAL FINDINGS**

Pursuant to CEQA Guidelines Section 15268(b)(3), approval of final subdivision maps is a ministerial

action and is exempt from the requirements of CEQA.

## **LOCAL PREFERENCE**

Local preference was not considered because this resolution does not include a bid or award of a construction or services contract.

## **FISCAL IMPACT**

The Final Map is located in Council District 5. There will be no impact to the City's General Fund. Approval by the Council will result in timely deliverance of the review and processing of the Final Map as is reasonably expected by the Subdivider. Prudent financial management is demonstrated by the expeditious completion of this Final Map inasmuch as the Subdivider has paid the City a fee for the processing of this Final Map and that fee is, in turn, funding the respective operations of the Public Works Department.
