REPORT TO THE CITY COUNCIL

November 5, 2015

FROM: SCOTT L. MOZIER, PE, Director
Public Works Department

THROUGH: ANDREW J. BENELLI, PE, City Engineer/Assistant Director
Public Works Department, Traffic and Engineering Services Division

BY: ANN LILLIE, Senior Engineering Technician
Public Works Department, Traffic and Engineering Services Division

SUBJECT

RESOLUTION - Of Intention to annex the territory associated with Site Plan Review Application No. 2015-064, Assessor's Parcel Number 567-030-7S, as Annexation No. 9 to the City of Fresno Community Facilities District No. 9 (Southeast corner of E. Champlain and N. Hickory Hill Drives) (Council District 6)

RECOMMENDATION

Adopt Resolution of Intention to annex the territory associated with Site Plan Review Application No. 2015-064 to the City of Fresno Community Facilities District No. 9 ("CFD No. 9").

EXECUTIVE SUMMARY

The landowners have petitioned the City of Fresno ("City") to have the territory associated with Site Plan Review Application No. 2015-064, Assessor's Parcel Number 567-030-7S, annexed to CFD No. 9 to provide funding for the operation and reserves for maintenance ("Services") pertaining to certain ground level infrastructure within the public easements associated with this development. Such facilities may include, without limitation, concrete curbs and gutters, valley gutters, curb ramps and sidewalks; street lighting and local street paving. The cost for Services for these improvements totals \$1,064 annually for fiscal year 2015-2016. Site Plan Review Application No. 2015-064, Assessor's Parcel Number 567-030-7S, is located entirely in the Fresno City Limits. The Resolution of Intention begins the process, sets the required public hearing for December 10, 2015, at 10:00 a.m., and defines the steps required to complete the annexation. (Reference attached location map.)

BACKGROUND

New commercial, industrial, and multi-family subdivisions and parcel maps have different needs and standards than those of a standard single-family residential subdivision. Commercial, industrial and multi-family subdivisions are traditionally self-maintained with different proprietary requirements for landscaping, signage and general designs. CFD No. 9 is designed to accommodate these requirements by providing funding for services for certain required public improvements along the perimeters of these developments. On December 16, 2008, the Council of the City of Fresno adopted Council Resolution No. 2008-351, forming CFD No. 9 to provide funding for the Services for certain public improvements located within and adjacent to public streets on the perimeter of commercial, industrial and multi-family subdivisions as described and permitted pursuant the Goals and Policies for CFD No. 9 and the City of Fresno Special Tax Financing Law, Chapter 8, Division 1, Article 3 of the Fresno Municipal Code ("City Law") and the Mello-Roos Community Facilities Act of 1982 (Chapter 2.5, commencing with Section 53311, of Part 1, Division 2, Title 5 of the California Government Code).

The landowners have petitioned the City to have the territory associated with Site Plan Review Application No. 2015-064, Assessor's Parcel Number 567-030-7S, annexed to CFD No. 9 to provide funding for the Services pertaining to certain ground level infrastructure within the public easements associated with this development. Such facilities may include, without limitation, concrete curbs and gutters, valley gutters, curb ramps and sidewalks; street lighting and local street paving. (Reference attached location map.)

The attached Resolution initiates the annexation process, sets the public hearing for December 10, 2015, at 10:00 a.m., sets the Maximum Special Tax at the total annual sum of \$1,064 for Assessor's Parcel Number 567-030-7S for FY2015-16, and that the maximum special tax may be adjusted annually at the discretion of the City at +3% plus the increase, if any, in the Construction Cost Index for the San Francisco Region.

Annexations to existing community facilities districts are permitted under City Law. The legislative body must follow certain prescribed procedures as outlined below:

- Adoption of a Resolution of Intention to Annex to CFD No. 9
- Required 7-day minimum Notice of Public Hearing
- Public hearing on Annexation and Levy of Special Tax
- Call a Special Mailed-Ballot Election on the proposed Special Tax

- Declare the Results of the Election
- Formal Adoption of Special Tax Levy (if election passes)

The attached Resolution has been approved as to form by the City Attorney's Office.

ENVIRONMENTAL FINDINGS

By the definition provided in the California Environmental Quality Act Guidelines Section 15378 this hearing does not qualify as a "project" and is therefore exempt from the California Environmental Quality Act requirements.

LOCAL PREFERENCE

Local preference was not considered since this item does not include a bid or award of a construction or services contract.

FISCAL IMPACT

No City funds will be involved. All costs will be borne by the landowner as set by Exhibit D of the Resolution of Intention attached herein.
