SUBJECT

(HEARING CONTINUED FROM 10:00 A.M.)

1.***RESOLUTION - Ordering the vacation of a portion of N. Blythe Avenue, and a portion of a landscape and public utility easement, north of W. Minarets Avenue

RECOMMENDATION

Staff recommends the City Council conduct the required public hearing and at the close of the hearing, adopt the attached resolution ordering the vacation of a portion of North Blythe Avenue, and a portion of a landscape and public utility easement, north of West Minarets Avenue, as shown in Exhibit "A" of the attached resolution.

EXECUTIVE SUMMARY

The adjacent property owners (Jeffrey S. Argyilan, Stan Rosenthal, and J. Todd Armas) to the affected area are requesting the vacation of this portion of North Blythe Avenue. The purpose of this vacation is to remove a sidewalk area within the right-of-way, and vacate a portion of a landscape and public utility easement that is not needed.

BACKGROUND

The adjacent property owners (Jeffrey S. Argyilan, Stan Rosenthal, and J. Todd Armas) to the affected area are requesting the vacation of this portion of North Blythe Avenue. The purpose of this vacation is to remove a sidewalk area within the right-of-way, and vacate a portion of a landscape and public utility easement that is not needed.

The public street right-of-way, landscape and public utility easement being vacated is shown on Exhibit "A" of the attached Resolution. The right-of-way is described as that portion of the westerly 20-foot wide North Blythe Avenue by Parcel Map 90-14. The landscape and public utility easement is described as a portion that 10-foot wide easement as dedicated by Tract Map No. 4173.

The Traffic and Engineering Services Division, other City departments and utility agencies have reviewed the proposed vacation and determined that the portion right-of-way and the portion of the landscape and public utility easement proposed for vacation is unnecessary for present or prospective public street and utility purposes as shown in Exhibit "A" of the attached Resolution, subject to the reservation of a public utility easement over the northerly 20 feet for existing storm drain facilities, as shown on Exhibit "B", and conditions listed in Exhibit "C" of the attached Resolution.

City Attorney has approved the attached Resolution of Intention as to form.

The vacation, if approved by the Council at the public hearing, will become effective when the vacating resolution is recorded in the office of the Fresno County Recorder, but not until the City Engineer determines that the conditions specified in Exhibit "C" of the attached resolution have been satisfied and accepted by the City.

ENVIRONMENTAL FINDINGS

This project is exempt under Sections 15301(c)/Class 1 of the California Environmental Quality Act (CEQA) Guidelines, Environmental Assessment No. EA-16-017. Under the Section 15301 (c)/Class 1 exemption, the minor alteration of existing public facilities, such as streets, sidewalks, etc., involving no expansion of use beyond that existing at this time, are exempt from CEQA requirements. The vacation will remove unusable sidewalks and return the property's maintenance over to the adjoining private property owners. The proposed vacation of the above-described land meets the criteria noted above. No significant effects would occur as a result of the proposed project. Therefore, the above described project complies with the conditions described in Section 15301/Class 1 of the

CEQA Guidelines. None of the exceptions to Categorical Exemptions set forth in the CEQA Guidelines Section 15300.2 apply to this project.

LOCAL PREFERENCE

Local preference does not apply because the vacation of public right-of-way does not involve bidding or contracting.

FISCAL IMPACT

There will be no City funds involved with this vacation. The adjacent property owners have paid all processing fees to cover staff cost in accordance with the Master Fee Schedule.
