SUBJECT
Approval of amended minutes of September 1, 2016

RECOMMENDATION

Staff recommends approval of the amended minutes of September 1, 2016.

EXECUTIVE SUMMARY

The proposed amendment only affects File ID 16-1002 concerning the General Plan Clean-Up and makes it clear the item was approved with a 180 day extension for property owners to request their properties revert back to previous land use designation.

BACKGROUND

The General Plan Clean-Up item (File ID 16-1002) was approved by Council during the September 1, 2016 hearing. The item included an additional 180 day extension to allow property owners to request their properties revert back to previous land use designations. The extension was previously discussed by Council at a Workshop (File ID 16-908) on August 18, 2016 and was briefly discussed

during the subsequent hearing in which it was approved. The September 1, 2016 minutes made no special mention of the extension. Development and Resources Management staff has requested the September 1, 2016 minutes be amended to make reference to the additional 180 day extension.
