## EXECUTIVE SUMMARY

On January 12, 2017, the Council of the City of Fresno ("Council") adopted Council Resolution No. 2017-04 with the intent to annex territory to Community Facilities District No. 9 ("CFD No. 9") at the request of the landowners of Assessor's Parcel Numbers 404-083-44, 45, 42 and 404-090-47. This is the noticed public hearing to consider annexing Assessor's Parcel Numbers 404-083-44, 45, 42 and 404-090-47 as Annexation No. 13 to CFD No. 9 to provide funding for the operation and reserves for maintenance ("Services") pertaining to certain required public improvements in the street frontages of Fir, Herndon and Spruce Avenues, associated with the development of these parcels. The cost for Services for these improvements totals \$15,175 annually for fiscal year 2016-2017. If approved, the recommended resolutions and ordinance will levy a Special Tax on the properties in Annexation No. 13 for identified Services. (See attached location)

## BACKGROUND

On December 16, 2008, the Council adopted Council Resolution No. 2008-351 forming CFD No. 9 to fund the Services for public improvements/areas that may benefit not only a particular subdivision or a portion of, but also the City of Fresno ("City") and the public at large, that serve a public purpose, and that are constructed or installed on public property or dedicated rights-of-way or easements. CFD No. 9 is to provide maintenance for certain regulatory required public improvements located within and adjacent to public streets on the perimeter of commercial, industrial and multi-family subdivisions as described and permitted by the City of Fresno Special Tax Financing law, Chapter 8, Division 1, Article 3 of the Fresno Municipal Code ("City Law") and the Mello-Roos Community Facilities Act of 1982 (Chapter 2.5, commencing with Section 53311, of Part 1, Division 2, Title 5 of the California Government Code).

New commercial, industrial and multi-family subdivisions and parcel maps have different needs and standards than those of a standard single-family residential subdivision. Commercial, industrial and multi-family subdivisions are traditionally self-maintained with different proprietary requirements for landscaping, signage and general designs. CFD No. 9 is designed to accommodate these requirements by providing funding of services for certain required public improvements in the public rights-of-way along the perimeters of these developments.

The landowner has petitioned the City to have Assessor's Parcel Numbers 404-083-44, 45, 42 and 404-090-47 annexed to CFD No. 9 to finance the Services for certain required public improvements in the street frontages of Fir, Herndon and Spruce Avenues, associated with the development of these parcels. Pursuant to this petition, the Council adopted Council Resolution No. 2017-04, declared its intention to annex Assessor's Parcel Numbers 404-083-44, 45, 42 and 404-090-47 to CFD No. 9, and set the public hearing for formal consideration.

Resolution No. 2017-04 also directed preparation of a District Report describing the Services and the costs of those services and this report is on file with the City Clerk of the City of Fresno.

If adopted by the Council, the attached ordinance would levy the proposed maximum special tax totaling \$15,175 annually for fiscal year 2016-2017. The Maximum Special Tax will be adjusted annually upward by 3% plus the rise, if any, in the Construction Cost Index for the San Francisco Region.

The levy of the special tax is subject to approval by the qualified electors through a special election. Two additional resolutions are attached for Council consideration pertaining to this special election.

Today's public hearing has been duly noticed and the attached resolutions and ordinance have been approved as to form by the City Attorney's Office.

## **ENVIRONMENTAL FINDINGS**

By the definition provided in the California Environmental Quality Act Guidelines Section 15378 this hearing does not qualify as a "project" and is therefore exempt from the California Environmental Quality Act requirements.

## **LOCAL PREFERENCE**

Local preference was not considered because this hearing does not include a bid or award of a construction or services contract.

## **FISCAL IMPACT**

No City funds will be involved. All costs for services will be borne by the property owners within the subject territory.
