REPORT TO THE CITY COUNCIL

May 10, 2018

FROM: WILMA QUAN-SCHECTER, City Manager
Mayor and & City Manager's Office

LAURA GLORIA, Deputy City Manager
Mayor and & City Manager's Office

SUBJECT

Approval of a First Amendment to the Agreement entered between the City of Fresno and the Central California Society for the Prevention of Cruelty to Animals.

RECOMMENDATION

Staff recommends that the City Council approve an extension to the Agreement entered between the City of Fresno and the Central California Society for the Prevention of Cruelty to Animals for one year effective June 30, 2018.

EXECUTIVE SUMMARY

The Central California Society for the Prevention of Cruelty to Animals (CCSPCA) provides the City of Fresno (City) with all animal control, pound master, veterinary and animal sheltering services, and facilities per a contract entered in March of 2014 renewable annually through June 30, 2018. The City

and the CCSPCA have been reviewing the terms of the contract since late 2017 but need additional time to continue to negotiate the details as well as draft a comprehensive plan for animal control. As such, staff recommends that the Council approve a one year “as is” extension to allow discussions to continue as well as give Council appropriate time to consider the new proposed contract.

BACKGROUND

The current agreement with the CCSPCA has been in effect since March of 2014, since then, the CCSPCA has continued to provide the City with animal control services including animal control, pound master, veterinary and animal sheltering services as required of the City and enforceable under federal, state, and local law. These services include enforcement of the City’s dog licensing ordinance, enforcement of the City’s ordinance prohibiting unrestrained animals running at large, operations and maintenance of a safe and adequate shelter for the humane confinement treatment and disposal of all animals, emergency response, disposal of any and all animals under care of the CCSPCA veterinary services, lost animal informational services, and maintenance of animal records. In late 2017, the CCSPCA presented a workshop to council on the various levels of service provided including dispatch operations, animal control officers and a dashboard on the volumes of stray populations, animal intakes, and euthanasia. Since then, the City has been working with the CCSPCA to form a comprehensive plan to address the increasing amount of stray population resulting in increased costs and an increase in health and safety issues to the residents of Fresno.

As the agreement is set to expire on June 30, 2018, staff recommends that the City Council approve an extension to the Agreement entered between the City of Fresno and the CCSPCA for one year. The extension will keep all other terms of the contract as is and will allow discussions to continue as well as give Council appropriate time to consider the new proposed contract.

ENVIRONMENTAL FINDINGS

This is not a project under California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines Section 15378.

LOCAL PREFERENCE

Local preference does not apply because this is an extension of an existing agreement.

FISCAL IMPACT

The FY 2019 Proposed Budget includes \$3,803,300 to fund the one year extension of the contract. FY 2019 appropriations will be budgeted to cover payments under the General City Purpose Department.
