SUBJECT

HEARING to obtain public comments regarding implementation of the City of Fresno's proposed activities with federal grant funding pertaining to the 2019-2020 Annual Action Plan.

RECOMMENDATIONS

Staff recommends the Housing and Community Development Commission (HCDC) obtain the views and comments from interested persons regarding implementation of the City of Fresno's (City) proposed activities with federal grant funds from the U.S. Department of Housing and Urban Development (HUD).

EXECUTIVE SUMMARY

City staff initiated a comprehensive citizen engagement and action planning process in January 2019 to allow the City to meet its May 15, 2019, HUD submission deadline. Once approved by Council, the City's 2019-2020 Annual Action Plan (FY20 Action Plan) will be submitted to HUD for approval.

BACKGROUND

The City is the annual recipient of federal entitlement funds from HUD. These funds are provided through the Emergency Solutions Grant (ESG), Housing Opportunities for Persons With AIDS/HIV (HOPWA), Community Development Block Grant (CDBG), and HOME Investment Partnership (HOME) Programs. As a condition of receiving these funds, the City is required to prepare an Annual Action Plan detailing the uses of the federal dollars and the benefits to low- and moderate- income persons. The development of the Annual Action Plan occurs through a needs hearing, citizen participation process, application period, and a program budgeting process.

The FY20 Action Plan covers the period from July 1, 2019, through June 30, 2020, and is the fifth and final year of the current Consolidated Plan. It has been prepared to meet HUD's grant funding requirements and provides details on the City's proposed use of ESG, HOPWA, CDBG, and HOME Program funds.

City staff has committed to the timely submission of the FY20 Action Plan, and began a comprehensive citizen engagement action planning process in January 2019 to allow the City to meet the statutory May 15, 2019, deadline for submitting the FY20 Action Plan to HUD for approval. The HCDC conducted a public needs hearing on January 9, 2019, and a subrecipient funding application presentation and funding recommendation meeting on March 13, 2019. At the March 13, 2019 meeting, the HCDC provided funding recommendations for the ESG, HOPWA, and CDBG Programs. The City subsequently published the Draft FY20 Action Plan for public review on March 22, 2019, which will remain available for review through April 22, 2019. Public comments may be found in the Draft FY20 Action Plan Appendix A: Summary of Public Comments Received and City Response. A summary of any and all comments from the April 10, 2019, (HCDC) and April 25, 2019, (Council) public hearings will also be considered and included in the final FY20 Action Plan.

At the time of publication of the Draft FY20 Action Plan, HUD had yet to finalize allocations for 2019-2020. As such, all of the funding amounts and allocations are considered estimates until the City receives notice from HUD on the final allocation. A summary of the City's estimated sources and uses is presented on page seven of the Draft FY20 Action Plan with more detailed information on estimated sources and expected uses in AP-15 Expected Resources (pages 27-31), AP-35 Projects (page 37) and AP-38 (pages 39-55).

Per HUD guidance, the City published a draft plan with funding contingencies, discussed on pages four through seven of the Draft FY20 Action Plan, in case the actual allocation is different than the estimated amounts. In the event that the actual allocation is less than the estimated amount by ten percent or more, the City may hold additional public hearings and release an amended plan for

additional public comment. The City will not submit a final plan to HUD until the actual allocations are announced.

Citizen Participation

City staff began preparation of the Draft FY20 Action Plan in December 2018 through a public notice of the entitlement funding, and a Public Needs Hearing on housing and community development needs held on January 9, 2019. On April 10, 2019, HCDC will hold a public hearing regarding the proposed activities of the Draft FY20 Action Plan. The April 25, 2019, City Council public hearing will represent the second public hearing on the Draft FY20 Action Plan.

The table below summarizes the citizen participation component of the planning process. It is important to note the City provided notices and used various means of communication in multiple languages to notify citizens of the public participation process.

FY 2019-2020 Entitlement Program Allocation

HUD has yet to finalize allocations, the funding amounts are considered estimates based on the prior year allocation, with the exception of HOME funds estimated to be allocated at 8% less than prior year. The City estimates that it will be allocated \$10,908,234 for FY20. The estimated allocation is detailed below:

FISCAL YEAR ALLOCATIONS	CDBG	HOME	HOPWA	ESG	TOTAL
2019-2020 Allocation (Estimated)	\$6,904,510	\$2,925,658	\$499,903	\$578,163	\$10,908,234
2018-2019 Allocation (Prior Year)	\$6,904,510	\$3,180,063	\$499,903	\$578,163	\$11,162,639
DIFFERENCE	\$0	\$-254,405	\$0	\$0	\$-254,405

Entitlement funds primarily address housing and community development needs of low-and moderate-income households, and as such the limited resources are prioritized to meet the greatest need. Activities that are multi-year in nature such as planning activities, infrastructure improvements and rehabilitation programs that generally take more than one year to complete may be carried over into the next fiscal year. It is important to note that for timeliness reasons, it is essential that projects utilizing entitlement funds be implemented efficiently and effectively.

The Draft FY20 Action Plan includes investments in capital projects such as street infrastructure, parks and community facilities, as well as new investment in public services administered by local nonprofit agencies. The Draft FY20 Action Plan also incorporates funding recommendations of the HCDC, public input received at the January Public Needs Hearing, input received through various public hearings, Council Districts and the Mayor's Office, as well as City staff related to capacity to implement proposed projects. A summary of the activities to be funded can be found in the attached Draft FY20 Action Plan under AP-38, Project Summary, pages 39-55.

ENVIRONMENTAL FINDINGS

This is not a project for purposes of CEQA pursuant to CEQA Guidelines Section 15378.

LOCAL PREFERENCE

Local preference is not applicable because of the use of federal funding.

FISCAL IMPACT

Adoption of the FY20 Action Plan will allow the City to receive approximately \$10.9 million of new entitlement funding.
