### REPORT TO THE CITY OF FRESNO YOUTH COMMISSION

January 13, 2020

**FROM:** Jose Espinoza, Program Coordinator  
Youth Leadership Institute

**BY:** Marco Martinez, Senior Deputy City Clerk  
Office of the City Clerk

#### SUBJECT

Update, discussion and actions pertaining to the Rising Youth Award (civic engagement award) and resolution

#### RECOMMENDATION

It is recommended that the Youth Commission draft a resolution for City Council to recognize youth organizations at the city level.

#### EXECUTIVE SUMMARY

In order to comply with California Assembly Bill 24 (AB 24), the Civic Learning Partnership (CLP) wants an award created at the city level to recognize youth-led projects. The Youth Commission's proposed City Council resolution would encourage the City Council to create the awards and to hold a space to provide the awards.

#### BACKGROUND

On October 9, 2017, the State of California approved AB 24. AB 24 establishes a "State Seal of Civic Engagement" to encourage students to engage civically at the local, state and national level. School districts that participate in the program will encourage students to participate in civic and community projects. Students who successfully carryout the program guidelines will receive a State Seal on their diploma.

At the August 2, 2019 Fresno Youth Commission meeting, Program Coordinator Espinoza presented CLP's proposal to the commission. The commission created an ad-hoc committee to collaborate with CLP to create a resolution. The resolution creates a youth recognition program, administered by the City Council. Recognition of youth through the

program will satisfy the State's program guidelines as established by the superintendent.

The Rising Youth Award Resolution will be presented to City Council on January 16, 2020.
