RECOMMENDATION

Staff recommends the Commission discuss and develop the appropriate procedure required for the recently passed Fresno City Council Resolution directing the Historic Preservation Commission to review the names of all City facilities and provide recommendations regarding any facility named after a controversial historical or cultural figure.

BACKGROUND

On October 15, 2020, the Fresno City Council passed a resolution that directed the Historic Preservation Commission to review the names of all City facilities and provide recommendations regarding any facility named after a controversial historical or cultural figure.
