## **EXECUTIVE SUMMARY**

On January 28, 2021, the Council of the City of Fresno (Council) adopted Council Resolution No. 2021-12 with the intent to annex territory to Community Facilities District No. 11 (CFD No. 11) at the request of the landowner of Final Tract Map No. 6240. This is the noticed public hearing to consider annexing Final Tract Map No. 6240 pertaining to certain required above ground public improvements associated with this subdivision. The cost for Services is \$435.82 per lot annually. If approved, the recommended resolutions and ordinance will levy a Special Tax on the properties in Final Tract Map No. 6240 for identified Services. (See attached Location and Features map.)

## **BACKGROUND**

On November 15, 2005, the Council adopted Council Resolution No. 2005-490 forming CFD No. 11 to fund the maintenance of landscaping, open spaces, local streets, local street lights and street furniture, curbs, gutters, sidewalks, street trees and other public facilities and services as defined by the City of Fresno Special Tax Financing Law, Chapter 8, Division 1, Article 3 of the Fresno Municipal Code (City Law).

The landowner of Final Tract Map No. 6240 has petitioned the City of Fresno to be annexed into CFD No. 11 to provide the funding for the operation and reserves for maintenance (Services) pertaining to certain required above ground public improvements, including but not limited to, landscaping, irrigation systems, curbs, gutters, entrance median curb, valley gutters, sidewalks, curb ramps, street name signage, street lighting, and local street paving located within public easements and dedicated outlots as associated with this subdivision. Pursuant to this petition, the Council adopted Council Resolution No. 2021-12, declared its intention to annex the Final Tract Map No. 6240 to CFD No. 11, and set the public hearing for formal consideration. (See attached Location and Features map.)

Resolution No. 2021-12 also directed the preparation of an Engineer's Report describing the Services and the costs of those services and this report is on file with the City Clerk.

If adopted by the Council, the attached ordinance would levy the proposed Maximum Special Tax

of \$435.82 per residential lot to provide Services for Fiscal Year 2020-2021. The Maximum Special Tax will be adjusted upward annually by 3% plus the rise, if any, in the Construction Cost Index for the San Francisco Region..

The levy of the special tax is subject to approval by the qualified electors through a special election. Two additional resolutions are attached for Council consideration pertaining to this special election.

Today's public hearing has been duly noticed and the attached ordinance and resolutions have been approved as to form by the City Attorney's Office.
