RECOMMENDATION

Adopt Resolution of Intention to Annex Final Parcel Map No. 2020-09 as Annexation No. 51 to the City of Fresno Community Facilities District No. 9 (CFD No. 9) and to Authorize the Levy of Special Taxes.

EXECUTIVE SUMMARY

The landowner has petitioned the City of Fresno (City) to have Final Parcel Map No. 2020-09

annexed to CFD No. 9 to provide funding for the Services (as hereinafter defined) pertaining to certain above ground public improvements associated with this subdivision. The cost for these Services for the public improvements totals \$6,763 annually for Fiscal Year 2020-2021. Annexation No. 51 is located entirely within City limits. The Resolution of Intention begins the process, sets the required public hearing for Thursday, May 13, 2021, at 10:05 am, and defines the steps required to complete the annexation. (Reference attached Location Map.)

BACKGROUND

New commercial, industrial, and multi-family subdivisions and parcel maps have different needs and standards than those of a standard single-family residential subdivision. Commercial, industrial and multi-family subdivisions are traditionally self-maintained with different proprietary requirements for landscaping, signage, and general designs. CFD No. 9 is designed to accommodate these requirements by providing funding for services for certain required public improvements along the perimeters of these developments. On December 16, 2008, the Council of the City of Fresno adopted Council Resolution No. 2008-351, forming CFD No. 9 to provide funding for the Services for certain public improvements located within and adjacent to public streets on the perimeter of commercial, industrial, and multi-family subdivisions as described and permitted pursuant the Goals and Policies for CFD No. 9 and the City of Fresno Special Tax Financing Law, Chapter 8, Division 1, Article 3 of the Fresno Municipal Code (City Law) and the Mello-Roos Community Facilities Act of 1982 (Chapter 2.5, commencing with Section 53311, of Part 1, Division 2, Title 5 of the California Government Code).

The landowner has petitioned the City to have Final Parcel Map No. 2020-09 annexed to CFD No. 9 to provide funding for the operation and reserves for maintenance (Services) pertaining to certain above ground public improvements located within public street and trail easements. These improvements may include landscaping, trees, and irrigation systems; concrete curbs, gutters, sidewalks and trail, expressway barrier fence, street lighting, and local street paving as associated with this subdivision. (Reference attached Location Map.)

Final Parcel Map No. 2020-09 is located entirely within City limits.

The attached Resolution of Intention initiates the annexation process, sets the public hearing for Thursday, May 13, 2021, at 10:05 am, sets the Maximum Special Tax at a total of \$6,7636 to be apportioned proportionately for each assessor's parcel within Annexation No. 51 annually for fiscal year 2020-2021, and sets the annual adjustment of the Special Tax to be adjusted upward annually by 2% or by the rise of the Construction Cost Index (CCI), if it exceeds 2% for the San Francisco Region.

Annexations to existing community facilities districts are permitted under City Law. The legislative body must follow certain prescribed procedures as outlined below:

- Adoption of a Resolution of Intention to Annex to CFD No. 9
- Required 7-day minimum Notice of Public Hearing
- Public hearing on Annexation and Levy of Special Tax
- Call a Special Mailed-Ballot Election on the proposed Special Tax
- Declare the Results of the Election
- Formal Adoption of Special Tax Levy (if election passes)

The attached Resolution has been approved as to form by the City Attorney's Office.
