REPORT TO THE CITY COUNCIL

April 28, 2021

FROM: BRYON HORN, Chief Information Officer
Information Services Department

BY: DENNIS JONES, Systems & Applications Manager
Information Services Department

SUBJECT

Approve the First Amendment to the Software as a Service Agreement with Tyler Technologies, Inc. for implementation and hosting of Financials, Human Capital Management and Utility Billing software in the amount of \$0.00.

RECOMMENDATION

Staff recommends the City Council approve the First Amendment (Amendment) to the Software as a Service Agreement (Agreement) with Tyler Technologies, Inc. (Tyler) for implementation and hosting of Financials, Human Capital Management and Utility Billing software in the amount of \$0.00.

BACKGROUND

On January 28, 2021, Council approved a Software as a Service Agreement between the City of Fresno (City) and Tyler Technologies, Inc. After review, it was determined that a scope of work

previously reviewed and approved between the City and Tyler was missing from the final contract document package. Additionally, Tyler is replacing language in one section to more accurately reflect the use of project management and integrated change management on this project.

There is no additional cost or monetary impact as a result of this Amendment to the Agreement.

ENVIRONMENTAL FINDING

This item is not a project as defined by the California Environmental Quality Act.

LOCAL PREFERENCE

Local preference does not apply because this is an amendment to an existing agreement.

FISCAL IMPACT

This amendment will have no impact to the Information Services Department's (ISD) Systems Replacement Fund (54003) or the General Fund.
