**REPORT TO THE CITY COUNCIL**

**FROM:** JERRY DYER, Mayor  
Office of Mayor & City Manager

TYLER MAXWELL, Vice President  
City Council District 4

**BY:** KELLI FURTADO, Chief of Staff to Mayor  
LAURA GARCIA, Chief of Staff to Council Vice President

**SUBJECT**

\*\*\*RESOLUTION - Supporting the 144<sup>th</sup> Fighter Wing and the recapitalization of next-generation aircraft squadrons to ensure that the Air National Guard continues to thrive in the City of Fresno. (Subject to Mayor's Veto)

**RECOMMENDATION**

Staff recommends the City Council approve the joint resolution supporting the 144<sup>th</sup> Fighter Wing and securing a next-generation aircraft squadron, thus ensuring the California Air National Guard continues to make Fresno Yosemite International Airport its home.

**EXECUTIVE SUMMARY**

The City of Fresno is home to the California Air National Guard's 144<sup>th</sup> Fighter Wing. The United States Air Force has identified multiple locations to house a squadron of next generation F-15EX or F

-35 aircraft. Several factors position the 144<sup>th</sup> Fighter Wing as the best option for the advanced aircraft, most importantly its alignment with the National Defense Strategy priorities and its strategic location allowing the protection of the nation's West Coast.

As California's fifth-largest city, Fresno has created an environment that provides thriving career opportunities and economic mobility to residents and businesses alike. The 144<sup>th</sup> Fighter Wing continues to invest in our community, with an economic impact of nearly \$160 million, including \$94.1 million in military and civilian wages. With 1,106 military and civilian personnel, the 144<sup>th</sup> Fighter Wing remains one of Fresno's most valued employers.

As the current F-15C/D aircraft near the end of its service life, the next generation of F-15EX or F-35 will sustain the ongoing mission of the 144<sup>th</sup> Fighter Wing. It is vital that the City take every step possible to ensure the 144<sup>th</sup> Fighter Wing acquires one of the new aircraft and secure its longstanding home at Fresno Yosemite International Airport, providing ongoing opportunities for the dedicated men and women of the 144<sup>th</sup> Fighter Wing.
