EXECUTIVE SUMMARY

1. FMC Section 3-330(a) - Tier I Fire & Police Death Benefit Provisions
In 1998, Tiers I and II merged into a single retirement system. Part of the merger agreement included a prospective benefit increase of 10%, i.e. 50% to 55% of average compensation, applicable to existing and future Tier I retirees and survivor annuitants. In early 2023, retirement staff discovered that in the many 1998 FMC amendments to codify the merger, Section 3-330(a) had been overlooked. The proposed amendment corrects that inconsistency.
2. FMC Sections 3-332, 3-353, 3-410, 3-424 and 3-566 - DROP Cost Neutrality
In 2023, the City of Fresno Retirement Boards accepted FMC modified language to add additional mechanisms for the maintenance of DROP cost neutrality in Fire and Police and the Employees Retirement System.
3. FMC Sections 3-352 and 3-565 - Secure Act 2.0
The congressional goal behind RMDs was to set forth dates by which the deferral of taxation on previously made pre tax retirement contributions would end through a taxpayer's receipt of taxable retirement benefits. The proposed changes modify the RMD ages to be consistent with changes in federal law under the SECURE Act and SECURE 2.0 Act. Complying with the new SECURE Acts' RMD provisions is mandatory.
4. FMC Sections 3-351 and 3-564 - Eligible Rollover
The IRC has for many years mandated that retirement plans allow a rollover of retirement funds to other specified retirement plans. To this end, congress in 2015 amended its list to include SIMPLE IRAs.
5. FMC Section 3-402(f) - Tier II Clarification
FMC section 3 402(f) currently sets forth a list that includes twenty three Tier I operative provisions applicable to the second tier. However, FMC sections 3 303 and 3 320 are not now on the list in section 3 402(f), although section 3 303 sets forth tax compliance provisions applicable to both tiers and FMC sections 3 320 sets forth the language necessary to have employee contributions be made on a pre tax basis. This proposed amendment, while not mandatory, provides useful clarification as to the scope and status of the second tier.
6. Sixth Amendment to the Trust Agreement Between Fidelity Management Trust Company and the City of

Fresno to incorporate QDRO processing. Amending the following:

- (1) Section 1. Definitions by adding:
 - (kk) "Domestic Relations Order" (or "DRO")
 - (ll) "Qualified Domestic Relations Order" (or "QDRO")
- (2) SCHEDULE "A", RECORDKEEPING AND ADMINISTRATIVE SERVICES by adding QDROs
- (3) SCHEDULE "B", FEE SCHEDULE by adding a QDRO Qualification Fee

These amendments were made with advice by the City of Fresno Retirement Office's legal and outside tax counsel, Ice Miller LLP.

BACKGROUND

These amendments to the Fresno Municipal Code and the COF's Trust Agreement with Fidelity have been reviewed and approved by the Retirement Boards and the Deferred Compensation Board respectively, their legal and outside tax counsel, and the City Attorney's Office as to form.
