

Exhibit H

**CITY OF FRESNO
PLANNING AND DEVELOPMENT DEPARTMENT**

**CONDITIONS OF APPROVAL
JANUARY 15, 2025**

**TENTATIVE TRACT MAP NO. 6468
“A PLANNED DEVELOPMENT”**

**LOCATED ON THE WEST SIDE OF SOUTH CRYSTAL AVENUE BETWEEN WEST HAWES AND
WEST ORLEANS AVENUES**

All tentative maps are subject to the applicable provisions of the State Subdivision Map Act, Fresno Municipal Code, City policies, and City of Fresno Standard Specifications. The following specific conditions are applicable to this tentative tract map.

NOTICE TO PROJECT APPLICANT

In accordance with the provisions of Government Code §66020(d)(1), the imposition of fees, dedications, reservations or exactions for this project are subject to protest by the project applicant at the time of approval or conditional approval of the development or within 90 days after the date of the imposition of the fees, dedications, reservations or exactions imposed on the development project.

URBAN GROWTH MANAGEMENT REQUIREMENTS (GENERAL)

The subdivider of property located within the UGM boundaries shall comply with all sewer, water and street requirements and pay all applicable UGM fees imposed under the Urban Growth Management process (with appropriate credit given for the installation of required UGM improvements) in accordance with the requirements of State Law as related to tentative tract maps.

GENERAL CONDITIONS

1. Upon conditional approval of Tentative Tract Map No. 6468 dated December 30, 2024, the subdivider may prepare a Final Map in accordance with the approved tentative tract map and Planned Development Application No. P23-04061 which establishes a planned development for the subject property.
2. Upon conditional approval of Tentative Tract Map No. 6468 dated December 30, 2024, the subdivider may prepare a Final Map in accordance with the approved tentative tract map.
 - a. Approval of Tentative Tract Map No. 6468 is contingent upon approval of related Planned Development Permit Application No. P23-04061.

3. Prior to final map approval, the subdivider shall execute a “Right to Farm” covenant with the City of Fresno. Said covenant is to run with the land and shall acknowledge and agree that the subject property is in or near agricultural districts located in the City and/or County of Fresno and that the residents of the subject property should be prepared to accept the inconveniences and discomfort associated with normal farm activities. The “Right to Farm” covenant shall be recorded prior to or concurrent with the recording of any Final Map of Tentative Tract Map No. 6468.
4. The subdivider shall comply with Regulation VIII and Rule 8060 of the San Joaquin Valley Air Quality Pollution Control District for the control of particulate matter and fugitive dust during construction of this project.
5. Submit grading plans and a soils report to the City of Fresno Planning and Development Department for verification prior to Final Map approval. Grading plans shall indicate the location of any required walls and indicate the proposed width of required landscape easements or strips. Approval of the grading plan is required prior to Final Map approval.
6. At the time of Final Map submittal, the subdivider shall submit engineered construction plans to the City of Fresno Public Works, Public Utilities, and Planning and Development Departments for grading, public sanitary sewer system, public water system, street lighting system, public streets, and storm drainage, including other technical reports and engineered plans as necessary to construct the required public improvements and work and applicable processing fees.
7. All plans for on-site and off-site improvements included in the Conditions of Approval shall be submitted prior to the final map being processed for recordation.
8. Public utilities easements, as necessary, shall be shown on the Final Map and dedicated to the City of Fresno. Public utility easements beyond the limits of the Final Map, but required as a condition of development, shall be acquired at the subdivider’s cost and shall be dedicated by separate instrument at the time of Final Map approval. The relocation of existing utilities necessitated by the required public improvements shall be paid for by the subdivider. The subdivider is responsible to contact the appropriate utility company for information.
9. Comply with the conditions, policies and standards set forth in the City of Fresno, Municipal Code, Chapter 15, “Land Divisions;” Resolution No. 68-187, “City Policy with Respect to Subdivisions;” and City of Fresno Standard Specifications, 2002 Edition, and any amendments thereto.
10. The developer/owner shall pay applicable fees for, but not limited to, plan checks for street improvements and other grading and construction; street trees, street signs, water and sewer service, and inspections in accordance with the City of Fresno Master Fee Schedule (City Resolution No. 79-606 and No. 80-420) and

any amendments, modifications, or additions thereto; and in accordance with the requirements of State law as related to tentative maps.

11. The subdivider shall furnish to the City acceptable security to guarantee the construction of the off-site street improvements in accordance with all applicable provisions of the Fresno Municipal Code (FMC) and the State Subdivision Map Act. The subdivider shall complete all the public improvements prior to the approval of the Final Map by the City. If, at the time of Final Map approval, any public improvements have not been completed and accepted in accordance with the standards of the City, the subdivider may elect to enter into an agreement with the City to thereafter guarantee the completion of the improvements.
12. As a condition of Final Map approval, the subdivider shall furnish to the City a subdivision guarantee listing all parties having any right, title or interest and the nature of their interest per State law.
13. Tentative Tract Map No. 6468 dated March 21, 2024 is subject to approval of related Planned Development Permit Application No. P23-04061.
14. Planned Development Permit Application No. P23-04061, filed to establish an 84-lot planned development, shall be approved prior to final map approval.
15. A planned development site plan will be required to be submitted to the Planning and Development Department for approval, prior to acceptance of a Final Map.
16. Comply with the requirements of FMC Chapter 15, Article 40, relative to subdivisions that include common ownership, as appropriate.

MITIGATION MONITORING REQUIREMENTS

17. Tentative Tract Map No. 6468 dated December 30, 2024 is subject to compliance with the mitigation measures established by the adoption of the Mitigated Negative Declaration prepared for Environmental Assessment No. T-6468/P23-04061 dated December 15, 2024.

CONDITIONS OF ZONING (REZONE APPLICATION NO. R-03-56)

18. If not already completed, recordation of an avigation easement prior to recordation of the Final Map is required.
19. The height limitation of all structures, trees, and other objects shall be in accordance with Part 77, Subpart C, of the Federal Aviation Regulations (FAR).

GENERAL INFORMATION

20. When the grading plan establishes a top of slope beyond the required landscape easement noted and the construction of the required wall is to be established coincident with the top of slope, then the required minimum easement width shall be expanded to include the full landscaped area up to the wall location.
21. The long-term maintenance of all the items listed below is the ultimate responsibility of the owner/developer.
 - a) The property owner shall be responsible for providing for the maintenance of all landscaping and hardscaping located within proposed Outlots associated with the proposed project.
 - b) The property owner shall be responsible for providing for the maintenance of all landscaping and hardscaping located in any entry median island or traffic medians located within the project.
 - c) The property owner shall be responsible for providing for the maintenance of the curbs and gutters, valley gutter, sidewalks, street lights and street signage within any local public street rights-of-way associated with the project.
 - d) The property owner shall be responsible for providing for the maintenance of all street trees within any local public street rights-of-way associated with the project.
22. Maintenance of the required landscape easements, streets, curbs and gutters, sidewalks, medians, and street furniture may be the responsibility of the City's Community Facilities District. Contact the Public Works Department, Engineering Services Division, at 559-621-8695 for information regarding the City's Community Facilities District. The property owners may petition the City for annexation to the City's Community Facilities District prior to Final Map approval.
23. If the developer/subdivider elects to petition for annexation into the City's Community Facilities District, the subdivider/owner shall be required to provide the City of Fresno, Department of Public Works, with copies of signed acknowledgments from each purchaser of a lot within the subdivision, attesting to the purchasers understanding that the lot will have an annual maintenance assessment and that he/she is aware of the estimated amount of the assessment. The subdivider/owner shall execute and record a covenant on each lot providing notice that the subject property is subject to annual payment of the Community Facilities District assessment.
24. Should the City Council not approve the annexation of any or all of the maintenance items listed above, then the property owner/subdivider shall create a homeowners association for the maintenance of these items and proposed private

streets, utilities, and walls/gates. The proposed Declaration of Covenants, Conditions, and Restrictions (CC&Rs) and the proposed instruments for the homeowners association shall be submitted to the Planning and Development Department for review two weeks prior to Final Map approval. Said documents shall be recorded with the Final Map or alternatively submit recorded documents or documents for recording prior to final acceptance of subdivision improvements. Said documents shall include assignment of responsibility to the homeowners association for landscaping and other provisions as stated in the Planning and Development Department Guidelines for preparation of CC&Rs dated January 11, 1985.

25. The proposed landscape and pedestrian easements along the local street frontages of the subdivision (South Crystal Avenue) shall be identified as Outlots to be dedicated to the City of Fresno, in fee, for public landscape, pedestrian, and utility purposes on the Final Map. The City Engineer may discretionarily require modification to other public easements proposed when/where such easements are preferred to be identified as Outlots to be dedicated to the City, in fee.

Walls/Fences/Landscaping

26. Provide and dedicate minimum 10-foot-wide outlots for public landscape purposes (and irrigation system) along the eastern property lines of all lots with frontage along South Crystal Avenue (Lots 24-25 and 66-67) (as depicted on Tentative Tract Map No. 6468 dated December 30, 2024). The 10-foot-wide outlots along South Crystal Avenue shall be located adjacent to the "sidewalk pattern" within the adjacent public street rights-of-way and shall incorporate street trees to shade the adjacent sidewalks in accordance with Public Works standards, specifications, and policies.
27. Construct a minimum 6-foot-high decorative solid masonry wall (at finished grade of the proposed site) pursuant to the solid wall requirements of FMC Section 15-2006. The decorative wall shall be located along property frontages along South Crystal Avenue, and along Outlots A and B (as depicted on Tentative Tract Map No. 6468 dated December 30, 2024), except openings for private entry and emergency vehicle access gates.
28. Provide and dedicate outlot(s) (Outlots A and B) for landscape (and irrigation system) purposes (as depicted on Tentative Tract Map No. 6468 dated December 30, 2024).
29. Provide and dedicate an outlot (Outlot C) for open space purposes. This outlot shall be located between Lots 81 and 82, as depicted on Tentative Tract Map No. 6468 dated December 30, 2024.
30. Provide and dedicate an outlot(s) (Outlot "X") for private street and utility purposes.

31. Landscaping, which is compliant with the City of Fresno “Anti-Graffiti Landscaped Buffer Development and Planting Standards,” shall be required adjacent to all required walls or fences that are accessible to the public and shall be maintained in accordance with the Maintenance Obligations stipulated herein below; or, in a manner which provides appropriate security and is deemed acceptable to both the City of Fresno Planning and Development and Public Works Departments.
32. The subdivider is required to provide street trees on all street frontages per Fresno Municipal Code standards and is responsible for the dedication of public planting and buffer landscape easements as determined by the Planning and Development and Public Works Departments.
 - a) Street trees shall be planted at the minimum rate of one tree for each 60 feet of street frontage; or, one tree per home (whichever is greater) by the developer.
 - i) The subdivider is required to provide irrigation for all street trees. The irrigation system shall comply with FMC Section 15-2309.
 - NOTE: Irrigation systems shall comply with the requirements of the California Green Building Standards Code and/or the California Model Water Efficient Landscape Ordinance and/or California Plumbing Code as may be amended.
33. Provide a corner cut-off area at all street intersections in accordance with the requirements of the Fresno Municipal Code. Corner cut-offs are established to provide an unobstructed view for vehicular and pedestrian traffic approaching an intersection. They are a triangular area formed by the property lines and a diagonal line adjoining points on the property lines, measured a specific distance from the point of their intersection.
34. All proposed/required landscape easements, open space areas, pedestrian connection entryways, pathways and/or private on-site landscaping for street tree purposes shall be improved in accordance with landscape improvement plans, which are to be submitted to the Planning and Development and Public Works Departments for review and approval prior to Final Map approval.
 - NOTE: Lighting and fence/wall details for any proposed/required open spaces areas or pedestrian connections shall be provided with the submittal of the landscape improvement plans.
 - a) Any proposed improvements within Pacific Gas & Electric (PG&E) or Fresno Irrigation District (FID) easement areas will require approval by the respective service provider/district agency prior to approval or acceptance by the City of Fresno.

- i) Easement Encroachment Applications and/or Agreements will be required as dictated by the respective service provider/district agency and will be required to be executed prior to issuance of permits for improvements.

Lot Dimensions

35. Lot dimensions shall match those depicted on "Exhibit A," for Tentative Tract Map No. 6468 dated December 30, 2024, excepting changes as required per the conditions of approval.

Lot Coverage

36. Lot coverage shall meet the requirements of the RS-5 zone district. Additionally, lot coverage shall comply with the requirements of the Fresno Metropolitan Flood Control District.

Building Height

37. The maximum building height allowed is 35 feet pursuant to the requirement of the FMC.

Building Setbacks

38. Minimum building setbacks shall be in accordance with Exhibit A dated December 30, 2024 and Operational Statement, unless otherwise noted in these conditions. Setbacks shall be shown on the planned development site plan, as required by Condition No. 15 above. Any setbacks not specifically identified within Exhibit A and the Operational Statement, or as noted below, shall be subject to the RS-5 zone district development standards.

For Lots 1-34, 45-46, and 57-84:

- Garage from primary façade setback from 4 feet to no requirement.
- Rear yard setback from 10 feet to 5 feet.

For Lots 35-44 and 47-56:

- Garage from primary façade setback from 4 feet to no requirement.
- Interior side yard setback from 4 feet per side / 8 feet total to 0 feet.
- Street side yard setback from 10 feet to 0 feet.

Provide a section in the CC&R's for the Homeowners Association (HOA) prohibiting parking in driveways less than 18' from garage to back of sidewalk (to prohibit parking over the sidewalk, if any). The CC&R's must also state that the HOA is responsible for enforcement of said requirement.

Street Names

39. The subdivider shall comply with all provisions and requirements contained within Article 62, Chapter 15 of the Fresno Municipal Code related to Street Names and Addressing.

To be revised/modified:

All proposed street names to be provided by the Applicant and approved by the Planning and Development Department. Existing street names/alignments will be used in the naming of streets as required by the Development Code.

- NOTE: For purposes of these conditions of approval or mitigation measures for the proposed project, any reference to the former street name shall be applicable to the latter street name to which the street name shall be changed.

INFORMATION

40. Prior to the issuance of building permits for the subdivision, school construction fees shall be paid to the Fresno Unified School District in accordance with the school district's adopted schedule of fees.
41. Contact the United States Postal Service for the location and type of mailboxes to be installed in this subdivision.
- a) It is recommended that at least 6 months prior to the first occupancy, the Developer shall contact the local United States Postal Service representative to complete a Mode of Delivery Agreement for New Construction. The Mode of Delivery Agreement must have a District approval signature to be valid. In addition to completing the Agreement, the Developer shall provide a final map (with address details) to the local USPS representative. The Developer shall, at their own expense, procure, construct and install all mail receptacle facilities for each location as specified and approved by the USPS.
42. Pursuant to Section 66456.1 of the Subdivision Map Act, which states "The right of the subdivider to file multiple Final Maps shall not limit the authority of the local agency to impose reasonable conditions relating to the filing of multiple Final Maps," multiple final maps filed by the subdivider on this tract shall fully and independently conform to all provisions of the Fresno Municipal Code, Subdivision of Real Property.
43. The developer/owner shall obtain any and all permits required for the removal or demolition of any existing building or structure located within the subdivision boundaries. The developer/owner shall also obtain any and all permits required for the proper abandonment/closure of any existing water well, septic tank/leach

field or cesspool, and irrigation pipeline on the subject property. All such permits shall be obtained prior to commencement of tract grading work, in accordance with Chapter 13 of the Fresno Municipal Code.

44. If archaeological and/or animal fossil material is encountered during project surveying, grading, excavating, or construction, work shall stop immediately.
45. If there are suspected human remains, the Fresno County Coroner shall be immediately contacted (business hours: (559) 268-0109; after hours the contact phone number is (559) 488-3111 for the Fresno County Sheriff's Department). If remains or other archaeological material is possibly Native American in origin, the Native American Heritage Commission (phone number (916) 653-4082) shall be immediately contacted, and the California Archaeological Inventory/Southern San Joaquin Valley Information Center (phone number (805) 644-2289) shall be contacted to obtain a referral list of recognized archaeologists.
46. If animal fossils are uncovered, the Museum of Paleontology at the University of California, Berkeley shall be contacted to obtain a referral list of recognized paleontologists. An assessment shall be conducted by a paleontologist; if the paleontologist determines the material to be significant, a recommendation shall be made to the City as to any further site investigation or preservation measures.
47. Apportionment of Special Assessment: If, as part of this subdivision, a division will be made of any lot or parcel of land upon which there is an unpaid special assessment levied under any State or local law, including a division into condominium interest as defined in Section 783 of the Civil Code, the developer/owner shall file a written application with the City of Fresno Director of Public Works, requesting apportionment of the unpaid portion of the assessment or pay off such assessment in full. If the subdivider elects to apportion the assessment, the application shall contain the following information:
 - a) A full description of each assessed lot, parcel or interest to be divided and of how such lot, parcel or interest will be divided;
 - b) A request that the Engineer apportion the amount remaining unpaid on the assessment in accordance with applicable law; and
 - c) Written consent of the owner(s) of each such lot, parcel, or interest to the requested apportionment.
 - d) The application shall be filed prior to the approval of the Final Map(s) by the City and shall be accompanied by a fee in an amount specified in the Master Fee Resolution for each separate lot, parcel, or interest into which the original assessed lot, parcel or interest is to be divided. The fee shall be in an amount sufficient to pay all costs of the City and the Engineer of Work responsible for determining the initial assessment in making the requested apportionment.

48. Solid waste disposal for the subdivision shall be provided by the City of Fresno. The method of collection to be utilized in this tract shall be subject to approval of the Solid Waste Manager (see below-noted conditions).

RIGHT-OF-WAY ACQUISITION

49. The developer will be responsible for the acquisition of any necessary right-of-way to construct any of the required improvements.
50. Rights-of-way acquisition shall include any rights-of-way necessary for proper drainage, signing, pole relocation, and shoulder grading. In general, this will require right-of-way to be provided approximately 10 feet outside the travel lane. The exact requirement must be determined at the project design stage based on the existing conditions and detailed design information.
51. In the event an acquisition of any easement or right-of-way is necessitated by the subject development, said acquisition will be accomplished prior to Final Map approval. The developer/owner should contact the Real Estate Section of the Public Works Department to receive procedural guidance in such acquisitions.
52. Should such acquisition not be accomplished by the subdivider prior to Final Map approval, the subdivider must request and grant to the City the full authority to attempt acquisition either through negotiation or through its power of eminent domain. The subdivider shall furnish to the City Public Works Department, Engineering Division/Real Estate Section, an appraisal report or a request for an estimated appraisal amount (to be determined by the City of Fresno Real Estate Section) prior to preparation of a Subdivision Agreement.
53. The subdivider/owner shall submit adequate security in the form of a cash deposit to guarantee payment of all costs associated with the acquisition, including staff time, attorney's fees, appraisal fees, court costs, and all related expenditures and costs necessary to effect the acquisition of such easements or rights-of-way.

STREETS AND RIGHTS-OF-WAY

54. The subdivider shall furnish to the City acceptable security to guarantee the construction of the off-site street improvements in accordance with all applicable provisions of the FMC and the State Subdivision Map Act.
55. The subdivider/owner shall make provisions for disabled persons in accordance with the Department of Public Works standards and as required by State law. Handicap access ramps are required to be constructed in sidewalks at all corners within the limits of the tract. Where street furniture is located within the sidewalk area (fire hydrants, streetlights, etc.), a minimum of 48 inches of unobstructed path shall be maintained to satisfy the American Disabilities Act requirements. If

necessary, dedicate a pedestrian easement to accommodate for the four foot minimum unobstructed path requirement.

56. All of the required street improvements shall be constructed and/or installed in accordance with the City of Fresno Standard Specifications (2002 Edition). The following shall be submitted as a single package to the Public Works Department for review and approval:
 - a. Signing and striping plans (per current California Department of Transportation standards);
 - b. Street Construction Plans;
 - c. Landscape and irrigation plans (median island and street trees within all parkways).
57. The subdivider shall construct an underground street lighting system per Public Works Standards within the limits of the tract. Spacing and design shall conform to Public Works Standards. Height, type, spacing, etc., of standards and luminaries shall be in accordance with Resolution No. 68-187, 78-522, 81-219, and 88-229 or any modification thereto approved by the City Traffic Engineer prior to Final Map approval. Upon completion of the work by the subdivider and acceptance of the work by the City, the street lighting system shall be dedicated to the City. Submit engineered construction plans to the Public Works Department for approval.
58. All dead-end streets created by this subdivision shall be properly barricaded in accordance with City standards within seven days from the time the streets are surfaced or as directed by the City Engineer.

DEPARTMENT OF PUBLIC WORKS

59. Comply with all of the requirements included within the attached Public Works Department, Land Planning memorandums, relative to Land Planning, Street Tree Requirements, and Community Facilities District (CFD) dated April 19, 2024 and redlined Exhibit A for Tentative Tract Map No. 6468 dated March 21, 2024.

DEPARTMENT OF PUBLIC UTILITIES

60. Comply with all of the requirements included within the attached Public Utilities Department memorandum dated July 18, 2024.

FIRE SERVICE

61. Comply with all of the requirements from the Fire Department memorandum dated December 30, 2024.

BUILDING AND SAFETY SERVICES

62. Comply with all of the requirements from the Building and Safety Services Division memorandum dated April 15, 2024.

FRESNO COUNTY ENVIRONMENTAL HEALTH DIVISION

63. Comply with all of the requirements from the Fresno County Environmental Health Division memorandum dated April 19, 2024.

FLOOD CONTROL AND DRAINAGE (FMFCD)

64. Comply with all of the requirements from the FMFCD memorandum dated May 30, 2024.

FRESNO IRRIGATION DISTRICT (FID)

65. Comply with all of the requirements from the FID memorandum dated April 22, 2024.

SAN JOAQUIN VALLEY AIR POLLUTION CONTROL DISTRICT (SJVAPCD)

66. Comply with all of the requirements from the SJVAPCD memorandum dated April 11, 2024.

FRESNO UNIFIED SCHOOL DISTRICT (FUSD)

67. Comply with all of the requirements from the FUSD memorandum dated March 22, 2024.

PACIFIC, GAS & ELECTRIC (PG&E)

68. Comply with all of the requirements from the PG&E memorandum dated April 15, 2024.

DEVELOPMENT FEES AND CHARGES

69. The following fees are based on preliminary conceptual information. The exact fee obligation will be computed prior to Final Map approval by Public Works Department, Land Division & Engineering. The fee rates in effect at the time of Final Map approval, determined by the Master Fee Schedule, shall apply (Reso. No. 2016-258).

SEWER CONNECTION CHARGES

FEE RATE

- a. Lateral Sewer Charge [1]

\$0.10/sq. ft. (to 100' depth)

b. Oversize Charge [1]	\$0.05/sq. ft. (to 100' depth)
c. Trunk Sewer Charge [2] Service Area:	N/A
d. Wastewater Facilities Charge [3]	\$2,119/living unit
e. House Branch Sewer Charge [2]	N/A

WATER CONNECTION CHARGES FEE RATE

f. Service Connection Charge	Fee based on service(s) and meter(s) sizes specified by owner; fee for service(s) and Meter(s) established by the Master Fee Schedule.
g. Frontage Charge [1]	\$6.50/lineal foot
h. Water Capacity Fee* [1] Single Family Residential Irrigation	\$5,786.31/ 1" Meter/living unit \$5,786.31/ 1" Meter \$7,233.91/ 1½" Meter \$14,461.71/ 2" Meter

*Fee based on meter(s) sizes specified by owner; fee for Water Capacity established by the Master Fee Schedule.

CITYWIDE DEVELOPMENT IMPACT FEES FEE RATE

i. Fire Facilities Impact Fee – Citywide [4]	\$2,326.13/living unit
j. Park Facility Impact Fee – Citywide [4]	\$3,630.19/living unit
k. Quimby Parkland Dedication Fee [2]	\$1,569.76/living unit
l. Police Facilities Impact Fee – Citywide [4]	\$965.06/living unit
m. Citywide Regional Street Fee [3]	\$8,941.09/adj. acre
n. New Growth Area Major Street Fee [3]	\$27,984.82/adj. acre
o. Traffic Signal Charge [1]	\$775.82/living unit

Notes:

The Board of Directors of the Fresno County Regional Transportation Mitigation Fee Agency approved Resolution No. 2009 – 01 requiring the payment of Regional Transportation Mitigation Fee. The effective date of this resolution is January 1, 2010. Contact the Council of Fresno County Governments (FCOG) to determine this fee obligation. Confirmation by the FCOG is required before the City of Fresno can issue building permits.

On December 8, 2016, Fresno City Council adopted Resolution No. 2016-258, effective July 1, 2018, administratively updating the impact fees adjusted by this resolution annually to the percentage change in the 20-City Construction Cost Index as reported in the Engineering News Record (ENR) for the 12-month period ending of May of the year of adjustment.

[1] Deferrable through Fee Deferral Covenant.

[2] Due at Final Map.

[3] Due at Building Permit.

[4] Due at Certificate of Occupancy.
