The exact square footage of each unit within Parcel "A" has not yet been determined. After all units within Parcel "A" have been constructed, and the square footage of each unit has been determined, the President and Secretary of the Association shall execute, acknowledge, and cause to be recorded a schedule setting forth each owner's respective undivided fractional interest in Parcel "A". In addition, each owner of a condominium within Parcel "A" shall have a non-exclusive easement of use and enjoyment in, to and throughout Common Area A and for ingress and egress through Common Area A. (iii) He will not use, permit or suffer the unit to be used for conduct of any business of substantially the same character and type as a business which is then being conducted in another unit without the prior written consent of the unit owner of such other unit or a two-thirds majority vote of the members of the Association.

Section 5. Signs. No neon or internally lighted sign nor any rotating, moving, or flashing sign shall be placed on any portion of the Common Area. Signs may only be illuminated by means of indirect footlights. No sign shall be painted on any exterior wall of any building. All signs and displays must be specifically approved in writing by the Association in advance of construction. No more than one sign per unit shall be allowed. A sign criteria statement is attached hereto as Exhibit "E".

Section 6. Parking. Parking areas of the real property may be used by all Owners and their tenants, sub-tenants, customers, clients, patients, visitors and other licensees and invitees. Section 7. Improvements. No building, addition, wall, fence, antenna or alteration shall be constructed, maintained, or permitted to remain on any unit or on any portion of the Common Area, until complete plans and specifications of the proposed work have been submitted to and approved by the Association. The Association shall review all such plans and shall base its approval or disapproval of such plans upon the adequacy of the structural design, the compatibility of the proposed external design with the condominium plan and the conformity of the proposed improvement to applicable zoning and building code ordinances and regulations. Nothing herein contained shall limit an Owner's right to divide or arrange the interior of any unit in any manner that does not affect the exterior dimensions, structural integrity, or appearance of the building.

Section 8. Membership in Association.

(a) The management body of the real property shall be the Association.

(b) Each Owner of a condominium shall be a member of the Association. There shall be no other qualifications for membership.

(c) Except as provided in paragraph (e) of this section, an Owner's membership in the Association shall cease upon the termination of his status as an Owner.

(d) An Owner shall be relieved of liability for assessments which payments fall due after the termination of his status as an Owner.

(e) An Owner may not avoid his obligations under this Declaration for so long as he remains an Owner, and specifically, but without limitation, an Owner may not avoid his obligations to pay assessments by the abandonment of his condominium.

Section 9. Voting Rights. The voting rights of the Owners under this Declaration and in the Association shall be determined as follows:

Declarant shall retain all voting rights until the earlier of:

(a) The date upon which record title to all units of the condominium project has been conveyed by Declarant to purchasers;

(b) Two (2) years from and after the first date upon which Declarant conveys record title to any unit to a purchaser. Thereafter, each Owner shall have one (1) vote for every ten (10) square feet of area of the unit or units owned by such owner. After all the units have been conveyed by Declarant to purchasers, the President and Secretary of the Association shall execute, acknowledge, and cause to be recorded a statement reflecting the total number of votes outstanding and their allocation among the units.

Section 10. Actions by the Association. Whenever this Declaration provides for action to be taken by the Association without specifying that the vote is to be by the Directors or the Owners, the action may be taken pursuant to a resolution adopted:

(a) By the Board of Directors as provided in the By-laws of the Association; or

(b) By the vote or written consent of Owners entitled to cast more than one-half of the outstanding voting power of the Association.

Section 11. Maintenance Fund Assessments. Maintenance fund assessments will be as follows:

(a) On or before December 31 of each year, the Association shall estimate the cash required to meet the net charges to be paid during the next following year by the Association in the exercise of its powers in the performance of its duties (including a reasonable reserve for deferred repairs, replacements and other contingencies less any surplus from the prior year's fund). Said estimated cash requirements shall be apportioned among and assessed to the owners in proportion to the relative square footage of each unit held by each owner.

(b) The Association may change the appointment of assessments among the owners from time to time during each assessment year to take into account changes in the total square footage of units occurring by reason of the completion and sale of condominiums during the course of the year. The reappointment, if it is made, shall be made so that the assessment payments falling due in the remaining part of the year are allocated among the owners in proportion to the square footage of all units at the time of reappointment.

(c) If the estimated cash requirement proves inadequate for any reason, including, but not limited to, non-payment of any assessment, the Association may at any time levy a further assessment, which shall be assessed to the

owners in proportions as provided in paragraph (a) of this section unless otherwise provided in this Declaration. Each owner shall be obligated to pay assessments made pursuant to this section to the Association in equal monthly installments on or before the first day of each month during the calendar year, or in such other reasonable manner as the Association may designate.

(d) In the event the Association fails to estimate the net charges to be paid during a calendar year on or before the next preceding December 31, the assessment for each calendar year shall be in the amount of the assessment for the next previous calendar year, but only until such time as new assessments are fixed by the Association.

(e) The maintenance fund, including any funds held in the reserve for contingencies or deferred, major expenditures, shall at all times be held, disbursed and administered by the Association and its authorized officers and agents, in trust, exclusively for the benefit of the owners. The beneficial interest in the maintenance fund shall be owned by the owners in proportion to their voting rights and shall only be transferred by a transfer of the owner's condominium, and reductions of the maintenance fund pursuant to Association order, including, but not limited to, reductions upon a termination of the Association's functions, shall be made by disbursement to the owners in the same proportion.

Section 12. Enforcement of Assessments. Each assessment made against the owners pursuant to this Declaration shall be separate, distinct and personal debt and obligation of the owner against whom the same is assessed. If the Association resolves to make any assessment a lien against the owner's condominium, it may do so by recording and delivering to each affected owner a Notice of Lien for Assessment signed by any two officers or any three directors of the Association. Each such notice shall set forth with respect to each condominium affected (i) the identity of the condominium; (ii) the amount of the assessment; (iii) the dates when payment is due, and how much of the assessment is due on each such date; (iv) that the assessments were made and the notice recorded pursuant to this Declaration; and (v) that the assessments set out in the notice is a lien against the condominium.

In the event any owner is in default in the payment of any assessment, the Association may give notice to that owner specifying the default and stating that if the default is not cured within the time stated in the notice, which must be at least ten days from the date of the notice, the Association will exercise its remedies under this Declaration. If the default is not cured within the time specified in the notice, in addition to such other remedies as may be allowed by law, the Association may proceed as follows:

(a) The Association may declare all remaining assessments for the calendar year then outstanding against the owner immediately due and payable, regardless of the payment schedule called for by this Declaration or the notice of assessment for the calendar year by the Association.

(b) The Association may sue any owner in default for the amount of the default, and the amount of assessment declared immediately due under paragraph (a) of this section. Any judgment rendered in any such action shall

include, except where forbidden by law, interest at the rate of ten percent (10%) per annum from the date of default or default in payment of the assessment and all costs incurred in obtaining judgement, including, but not limited to, a sum for reasonable attorneys fees.

(c) The Association may record a notice of lien as provided in this section if it has not already done so. The lien established by the recorded notice of lien may be foreclosed by appropriate action in court or in the manner provided by law for the foreclosure of a mortgage or deed of trust under power of sale. In the event foreclosure is by action in court, interest and reasonable attorneys' fees shall be allowed as provided in paragraph (b) of this section. In the event foreclosure is under power of sale, the Association shall designate a person to act as the agent of the Association in conducting the sale and shall be entitled to expenses and such fees as may be allowed by law or by prevailing custom in the community at the time the sale is conducted.

Section 13. Certificate of Assessment. A certificate executed and acknowledged by any two officers or any three directors of the Association setting forth the amount of any due and unpaid assessments with respect to any condominium shall be conclusive upon the Association and the owners as to the amount of such unpaid assessments on the date of the certificate, in favor of all persons who rely on the certificate in good faith. Such a certificate shall be furnished to any owner or any security holder or prospective security holder upon written request to the Association, without charge by the Association.

Section 14. Mortgage Protection. Any lien recorded pursuant to Section 12 shall be subordinate to all other liens and encumbrances recorded prior to the recordation of the claim of lien described in said section, and shall be prior to all other liens and encumbrances.

(a) No amendment to this section shall affect the rights of a holder of any recorded lien or encumbrances recorded prior to recordation of such amendment, unless the lien or encumbrance holder joins in the execution of the amendment.

(b) In the event a lien or encumbrance that is prior to a lien for unpaid maintenance fund assessments is enforced by judicial foreclosure, sale under power of sale or other valid procedure for terminating the ownership interest of the owner of the subject condominium, all maintenance fund assessment liens against that condominium shall expire when the owner's interest is terminated of record, and thereafter only the following assessments shall be valid against the subject parcel:

(i) The amount determined by multiplying the current annual assessment by a percentage determined by dividing three hundred sixty-five 365 into the number of days remaining in the calendar year after the date of such termination;

- (ii) Assessments assessed after such termination, except for any part thereof that is to cover or make up for any deficiency in the maintenance fund resulting from the failure of the owner whose condominium was the subject of such termination to pay assessments assessed prior to such termination.

Section 15. Delegation to Manager. The Association may employ a manager to perform any of the duties, powers or functions of the Association. Notwithstanding the foregoing, the Association may not delegate to the manager the power to conclusively determine whether the Association should make expenditures for capital additions or improvements chargeable against the maintenance fund. The members of the Board of Directors of the Association shall not be personally liable for any omission or improper exercise by the manager of any duty, power or function delegated to the manager by written contract between the manager and the Association.

Section 16. Right of Entry. The Association or its agents may enter any unit when necessary in connection with any maintenance, landscaping or construction for which the Association is responsible or for the enforcement of this Declaration. The City of Fresno has the right to enter the common areas and/or any unit at any time when necessary to preserve the public welfare and safety of the citizens of the City of Fresno.

Section 17. No Partition. Except as provided by Section 1354 of the Civil Code of the State of California, there shall be no judicial partition of the real property or any part thereof, nor shall Declarant or any person acquiring an interest in the real property or any part thereof seek any judicial partition; provided, however, that if any unit shall be owned by two or more persons as tenants in common or as joint tenants, nothing herein contained shall be deemed to prevent a judicial partition as between such co-tenants.

Section 18. Insurance. The Association shall carry public liability and property damage insurance which shall name as insured, as their interest may appear, all owners and tenants within the Real Property. The insurance shall have limits of liability of not less than \$500,000 with respect to injury or death to one person, not less than \$1,000,000.00 for injury or death of more than one person in any one accident, and not less than \$100,000.00 with respect to property damages. Any such policy shall provide for not less than thirty (30) days advance written notice to the owners of the effective date of cancellation thereof. Any such insurance policy shall be primary and noncontributing with any other insurance which may be carried by any owner or tenant within the real property. Such insurance shall cover all Common Areas with the real property, including driveways, parking areas and pedestrian walkways. The Association may increase the limits of any policy pursuant to this section in the discretion of the Association. The Association shall also maintain a policy of standard fire and extended coverage insurance for the full insurable value of all improvements to the real property. Such policy shall name the Association, the owners, each security holder, and declarant, as their interests may appear, as additional insureds. Such policy shall provide for not less than thirty (30) days advance written notice to the owners of the effective date of cancellation.

Section 19. Rebuilding or Repair.

If improvements to the real property are damaged by fire or other casualty and said damage is limited to a single unit, all insurance proceeds shall be paid to the owner or owners, mortgagee or Security Holders of the owner or owners, as their respective interest may appear, and such owner or owners, or Security Holders, shall use the same to rebuild or repair such unit in accordance with the original plans and specifications therefor. If such damage extends to two or more units, or extends to any part of the Common Areas:

- (a) If the available insurance proceeds initially offered or paid by the insurer are equal to or exceed eighty percent (80%) of the cost of rebuilding or repairing, such insurance proceeds shall be paid to the Association. The Board shall thereupon contract to repair or rebuild the damaged portions of all Units and the Common Area in accordance with the original plans and specifications therefor, and the insurance proceeds shall be used for this purpose. If the insurance proceeds are insufficient to pay all of the costs of repairing or rebuilding the Board shall levy a special assessment in proportion to the original square footage of each unit in an amount equal to the estimated deficiency.
- (b) If subparagraph (a) is inapplicable, then:
  - (1) All insurance proceeds shall be paid to the Association, or to such bank or trust company as may be designated by the Association, to be held for the benefit of the Owners and their Security Holders as their respective interest may appear.
  - (2) The Board shall obtain firm bids (including the obligation to obtain a performance bond) from two or more responsible contractors to rebuild the damaged improvements in accordance with the original plans and specifications and shall, as soon as possible thereafter, call a special meeting of the Owners to consider such bids. If the Board fails to do so within sixty (60) days after the casualty occurs, any Owner may obtain such bids, and call and conduct such meeting as herein provided (failure to call such meeting or to repair such casualty damage within twelve (12) months from the date such damage occurred shall be deemed for all purposes a decision not to rebuild said building). At such meeting, the Owners may by sixty-six and two-thirds percent (66 2/3%) vote elect to reject all such bids and thus elect not to rebuild. Failure to reject all bids shall authorize the Board to accept the unrejected bid it considers most favorable.
  - (3) If a bid is to be accepted, the Board shall levy a special assessment in proportion to the original square footage of each unit to make up any deficiency between the total insurance proceeds and the contract price for such repair or rebuilding. If any Owner shall fail to pay the special assessment within thirty (30) days after the levy thereof, the Board may make up the deficiency of such payment from the maintenance fund. Upon receiving payment of such assessment, the Board shall let the contract to the successful bidder;

(4) Upon an election not to rebuild, the Board, as soon as reasonably possible and as agent for the Owners, shall sell the real property, in its then condition, free from the effect of these Restrictions, which shall terminate upon such sale, on terms satisfactory to the Board. The net proceeds, and all funds held by the Association, shall thereupon be distributed to the Owners in proportion to the square footage of each unit owned by each owner, and to the Security Holders of the interest of the Owners, as their interests may appear.

(5) If the Owners decided not to rebuild, either by calling a meeting and rejecting all bids presented or by failing to call such a meeting and failing to repair such damage within twelve (12) months after the damage occurs, then the Board shall record a sworn declaration setting forth such decision and reciting that under the provisions of these Restrictions the prohibition against judicial partition provided for in Section 17 hereof has terminated and that judicial partition of the real property may be obtained pursuant to Section 1354 of the Civil Code of the State of California.

Section 21. Property Taxes. To the extent allowed by law each condominium shall be separately assessed and taxed and each owner shall pay the taxes assessed against his condominium and personal property.

Section 22. Financial Statements. The Board shall cause to be prepared a balance sheet and operating statement for the Association as of the end of each calendar year. Each operating statement shall show for the period since the last operating statement the expenses and receipts of the Association and a schedule of assessments received and receivable itemized by condominium and by the name of the owner assessed. Each operating statement shall also reflect the cash received, cash expenses, and reserves relied upon by the Association in fixing assessments for the ensuing calendar year. Copies of the financial statements shall be prepared and made available to the owners within sixty (60) days of the statement date.

Section 23. Exercise of Rights by Common Owners. Whenever title to a condominium stands in the name of two or more persons, the vote or written consent of such persons as an owner shall be given in accordance with the vote or consent of the majority of such persons. If less than all such persons are present, in person or by proxy, at a meeting of the Association, the person or persons present shall be counted as an owner and member for purposes of determining a quorum, and on all votes taken at said meeting their vote shall be entered as the majority of such persons present may direct. This section applies to voting and consenting by two or more administrators, executors, trustees or other fiduciaries, unless the instrument or court order appointing them and on file with the Secretary of the Association otherwise directs.

Section 24. Creation of Easement. In addition to easements and rights-of-way already existing, easements, rights-of-way, profits, licenses and other rights to use the Common Areas, including but not limited to, public utility and cable television easements, may be conferred or conveyed by a deed or other document signed and acknowledged by at least a majority of the directors upon the vote or written consent of the owners entitled to exercise at least two-thirds (2/3) of the total voting power of the Association.

Section 25. Amendment or Rescission.

(a) Declarant shall have the right to amend these restrictions for any purpose for a four (4) year period commencing with the date of the recording of these restrictions.

(b) Subject to the provisions of Paragraph (a) above, the provisions of these restrictions may be amended or rescinded by a vote of the owners having two-thirds (2/3) or more of the voting rights of the Association.

(c) Any amendment or rescission of these restrictions shall take effect upon the recordation at the office of the County Recorder of Fresno County, California, of an instrument in writing signed and acknowledged by any two officers or any three directors of the Association certifying under penalty of perjury that the amendment or rescission was duly adopted as provided by the terms hereof.

(d) Upon the rescission of these restrictions, the Association shall distribute the property of the Association to the owners, as tenants in common, in proportion to the voting rights immediately prior to the rescission.

(e) Any amendment by the Association to any provision required by the City of Fresno must be with the prior written consent of the City.

Section 26. Attorneys' Fees. In any action brought by an owner or the Association to enforce the provisions hereof, whether legal or equitable, the prevailing party shall be entitled to reasonable attorneys fees as determined by the court.

Section 27. Utility Charges Not Assessed Against Unit Owners. In the event utility charges are not separately metered or charged to individual unit owners, the Association shall pay such utility charges and said individual unit owners shall be liable therefor under the terms and conditions of this Declaration.

Section 28. Severability. The provisions hereof shall be deemed independent and severable, and the invalidity or partial invalidity or unenforceability of any one provision or portion thereof shall not affect the validity or enforceability of any other provisions hereof.

Section 29. Failure of Enforcement Not a Waiver. Failure to enforce any provisions hereof shall not constitute a waiver of the right to enforce said provision or any other provision hereof.

Section 30. Personal Property. The Association may acquire tangible and intangible personal property for the benefit of the owners and may dispose of the same or otherwise. The beneficial interest in such personal property shall be owned by the owners in the same proportion as their respective voting rights determined pursuant to Section 9 hereinabove, and shall not be transferrable except with the transfer of a condominium. A transfer of a condominium shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property.

Section 31. Titles of Sections. The titles of the sections of this Declaration are for the convenience of the reader only and no presumption or implication of the intention of the parties as to the construction of this Declaration shall be drawn therefrom.

IN WITNESS WHEREOF, Declarant has executed this Declaration of Restrictions on the day and year first above written.

have the obligation and duty to repair, replace,  
manage, operate, procure public liability insurance

on, and maintain in good and useful condition for themselves, their successors and assigns all portions of the said existing parking area located on the property. The allocation of expenses with respect to said obligation and duty shall be based on the fractional interest each parcel owner has in the common area wherein the numerator shall be equal to the square footage of the unit owned by such owner and the denominator shall be equal to the total square footage of all units within Parcel "A" and the unit to be developed within Parcel "B". The breach by any respective owner or such owner's heirs, successors, or assigns of such owner's obligations and duties hereunder shall entitle the remaining owners to take such action, including commencement of legal proceedings as may reasonably be necessary to mitigate, abate, remedy, correct, or enjoin any such breach.

- (4) Nothing herein contained shall alter or affect the obligation of the respective owners of Parcels "A" and "B" to pay all real property taxes and other public impositions with respect to their respective parcels.
- (5) Respective owners of Parcels "A" and "B" shall be permitted to claim, for purposes of complying with any municipal offstreet parking requirements, any such parking spaces on either Parcel "A" or "B" to effect compliance.
- (6) Notwithstanding the above, nothing herein contained shall be construed to require the owner of Parcel "B" to provide parking stalls for the use by owners of Parcel "A", their customers, invitees, licensees, tenants, lessees, subtenants, concessionaires, officers, employees, agents, and any other persons

coming onto said existing parking area in connection with or incidental to uses being made of Parcels "A" or "B". In fact, it is anticipated and understood that, following the development of Parcel "B", Parcel "B" will not support any parking stalls, and it is for this reason the Declaration herein creates rights in the owner of Parcel "B" to use the available parking existing in and around Parcel "A". It is intended, however, that Parcel "B" will be developed with areas available for ingress and egress for persons and vehicles, and it is with this right that the owners of Parcel "A", their customers, invitees, licensees, tenants, lessees, subtenants, concessionaires, officers, employees, agents, and any other person may share.

- (7) The rights, duties, restrictions, and obligations established and imposed by this Declaration may be terminated or amended at any time by the mutual agreement of the owners of Parcels "A" and "B"; provided, however, that no such amendment or termination may occur without the written consent of the City of Fresno or its successor.

IN WITNESS WHEREOF, Declarant has executed this Declaration of Restrictions on the day and year first above written.
