Mr Veatch, Director Clark

I left you a voicemail earlier. We own the convenience store and gas station on 4095 Golden state blvd which is adjacent to a proposed Truck Stop and Liquor store. We will like to formally protest this CUP application. There is half a dozen type 20 and type 21 licenses within a half mile radius, the homeless issue in this area is already bad, this area has been ravished by high speed rail construction and business is just starting to come back, and lastly this location is not zoned for a commercial use. Adding another convenience store right next to the one we operate doesn't make much sense. Please also notify of what direction the director takes.

I am available for any questions. Thank You
