EMAIL/TELEPHONE NUMBER: 864.361.3973

MEETING DATE: December 6, 2023

TOPIC/DESCRIPTION:

BikeScribble3D is a design/build collaboration dedicated to the vision of "Installing the Human Spirit in the Landscape". This Fall, 2023, Fresno State Transportation Institute's PEDAL Forward Fresno initiative and the Fresno International Transportation Innovations 2023 PEDAL Summit showcased the BikeScribble3D sculptures of "Emil, Flora, Oblivia and Raisin".

These original abstract public art pieces are part of a larger Messaging and Placemaking project, and showcase the Unity, Diversity, and Value of the movement to create safer streets and Vision Zero, in Fresno and throughout the country.

TIME NEEDED: 6 minutes
