Action of the BSAB

After today's hearing, the Building Standards Appeals Board (BSAB) may take one of the following actions:

1. **DETERMINE** Appellants HAVE NOT made substantial progress towards correcting the outstanding violations from the Notice and Order issued April 9, 2026, and **ORDER** payment of double the fines, as well as all allowable costs and fees; OR
2. **DETERMINE** Appellants HAVE made substantial progress towards correcting the outstanding violations from the Notice and Order issued April 9, 2026, and **CONTINUE** the hearing to a later date; OR
3. **DETERMINE** Appellants have FULLY corrected outstanding violations from the Notice and Order issued April 9, 2026.

Progress Hearing Explained

- ▶ If the BSAB determines during a hearing that any of the appealed violations are currently still uncorrected:
 - ▶ The Appellant must be ordered to correct the remaining violations within 30 days of the date of the order; and
 - ▶ A progress hearing must be set within 30 to 60 days of the date of the order.
- ▶ At the progress hearing, the BSAB will determine whether Appellants have:
 - ▶ Fully corrected all remaining violations;
 - ▶ Made “substantial progress” towards fully corrected all remaining violations but haven’t been able to complete corrections for reasons beyond their control; or
 - ▶ Failed to do either of those two things.
- ▶ FMC § 1-409(f)

FMC section 409(f)

- ▶ “If the hearing officer finds any nuisance or legal violation set forth in the citation or notice and order is continuing and remains as of the time of the hearing, the hearing officer shall order the record owner and or occupants to repair or otherwise remedy the illegal condition within thirty days from the date of the order. The hearing officer shall set a hearing to occur between thirty and sixty days after the date of the order to confirm whether the record owner and or occupants have made all repairs or remedied all illegal conditions as ordered. If the owner and or occupants show at the subsequent hearing they have made substantial progress, but have not been able to complete repairs or remedy all illegal conditions for reasons beyond their control, the hearing shall be continued to a later date to allow sufficient time to complete repairs or remedy all illegal conditions as ordered. If it is shown at a subsequent hearing the record owner and or occupants have failed to fully repair or otherwise remedy the illegal conditions, the hearing officer shall order payment of double the maximum fines permitted in this code, as well as all allowable costs and fees.”

Summary of June 2 BSAB Hearing

- ▶ The BSAB reviewed a Notice and Order issued April 9, 2026, containing 7 violations. (AP, pgs. 28-39)
 - #1: Exterior siding on all buildings replaced without permits
 - #2-#5: Unapproved, overheight fence of incorrect material installed contrary to site plan
 - #6: hazardous tree at Unit #207
 - #7: no weather protection on exterior wood surfaces of siding on north side of complex
- ▶ At the time of the hearing, **the only outstanding violation was #1 – the exterior siding on all buildings replaced without permits.**
- ▶ The BSAB determined that Violation #1 remained uncorrected, and ordered Appellants to cure the violation within 30 days (as required by FMC)

City Update on Violation #1

- ▶ As of the June 2, 2026 BSAB hearing: Appellant's latest progress on correcting Violation #1 was two pre-stucco applications (B26-04624 and B26-04627) applied for on April 27, 2026.
- ▶ June 28, 2026: Inspector Amparo searched City permit records and found both pre-siding applications failed their inspections on May 13, 2026. No subsequent actions were taken on either application, and no new applications or permits were found in City records.
- ▶ August 3, 2026: Inspector Amparo will search City permit records again prior to the August 4 hearing, and provide the BSAB with further updates at that time.
