Request for Tentative Map Extension: Vested Tentative Tract Map No. 6378

Dear Ms. Clark,

Please accept this letter as a formal request for a two-year extension of Vested Tentative Tract Map No. 6378.

T-6378 was originally approved on March 2, 2022, establishing an initial 24-month expiration date of March 2, 2024. With the additional 18-month extension allowed under AB 2729, the current expiration date is now September 2, 2025.

Granville will be submitting an application for this extension. Application P25-01599 (T-6366 extension) will be withdrawn, and the fees previously paid under that application are requested to be applied toward this request.

Sincerely,

A handwritten signature in blue ink, appearing to read "Brenda Cosio".
