

Exhibit K

**City of Fresno**  
**Planning and Development Department**

**Conditions of Approval**  
**June 18, 2025**  
**Annexation Application No. P21-05778**  
**Pre-zone Application No. P21-05870**  
**Development Permit Application No. P23-00149**

Planner: Juan Lara (559) 621-8039

PROJECT DESCRIPTION

**Annexation Application No. P21-05778, Pre-zone Application No. P21-05870, and Development Permit Application No. P23-00149**, were filed by Bonique Emerson of Precision Civil Engineering on behalf of Crown Enterprises proposing pertaining to approximately 80.91 acres of property on the west side of South Cherry Avenue between East North and East Central Avenues.

**Annexation Application No. P21-05778** (for the North-Cherry No. 3 Reorganization) proposes detachment from the Kings River Conservation District and Fresno County Fire Protection District and annexation to the City of Fresno of approximately 80.91 acres.

**Pre-zone Application No. P21-05870** proposing to pre-zone: approximately 15.95 acres of the subject property from the County of Fresno AL 20 (*Limited Agricultural*) zone district to the City of Fresno IH (*Heavy Industrial*) zone district; and approximately 35.77 acres of the subject property from the County AL 20 (*Limited Agricultural*) zone district to the City of Fresno IH/ANX (*Heavy Industrial/Annexed Rural Residential Transitional Overlay*) zone district.

**Development Permit Application No. P23-00149** request to construct a long-term regional facility for the purpose of providing less-than-truckload (LTL) freight services on a 15.95-acre portion of the 80.91-acre site.

The project will also require dedications and/or acquisitions for public street rights-of-way and utility easements as well as the construction of public facilities and infrastructure in accordance with the standards, specifications and policies of the City of Fresno in order to facilitate the future proposed development of the subject property.

**APNs:** 329-100-52,329-100-51, 329-100-01, 329-100-52,329-100-51,329-100-01,329-080-28,329-080-11,329-080-10,329-180-19, 329-180-18,329-180-12, 329-180-09,329-180-07,329-180-33,329-180-28,329-180-30,329-180-32,329-080-30,329-180-16, and 329-100-44,329-100-03

**ADDRESS:** 3253 South Cherry Avenue, 3337 South Cherry Avenue, 3319 South Cherry Avenue, 3295 S Cherry Avenue, 3195 South Cherry Avenue, 3133 South Cherry Avenue, 3121 South Cherry Avenue, 3105 South Cherry Avenue, 3097 South Cherry Avenue, 3085 South Cherry Avenue, 3081 South Cherry Avenue, 3071 South Cherry Avenue, 3059 South Cherry Avenue, 3043 South Cherry Avenue, 349 East North Avenue, 311 East North Avenue, 283 East North Avenue

**EXISTING LAND USE:** Vacant land, Agricultural, Auto repair, Highway, Rural Residential, Diesel Repair  
**ZONING:** IH (*Employment – Heavy Industrial*)

PART A - ITEMS TO BE COMPLETED

**The following items are required prior to final approval and/or commencement of land use activity:**

Planner to check when completed

<input type="checkbox"/>	Development shall take place in accordance with Exhibits A-1 through A-3, E-1 through E-2, O, F-1 through F-2 dated, and L-1 through L-2 April 5, 2024. Revise and transfer all comments and conditions on Exhibits to the corrected exhibit(s) and <b>upload to the related Compliance Record No. P25-XXXXX</b> and <b>submit to the planner at least 15 days prior to issuance of building permits.</b>
	<b><u>Site Plan Redlines:</u></b>
<input type="checkbox"/>	Submit an application for a Voluntary Parcel Merger. The Voluntary Parcel Merger shall be completed prior to the issuance of building permits.
<input type="checkbox"/>	Depict APNs 329-100-52 & 329-100-01 and correct total acres to 15.93 acres on Exhibits A and O.
<input type="checkbox"/>	Provide updated legal description on Exhibit A-1.
<input type="checkbox"/>	Revise Land Landscape Plans L-1 through L-2 to reflect new Site Plan Exhibit dates April 5, 2024.
<input type="checkbox"/>	Add applicable notes to the site plan from the attached "Notes and Requirements for Entitlement Applications" document.

**PART B - OTHER AGENCY COMMENTS AND CONDITIONS**

To be checked when completed where applicable	
<input type="checkbox"/>	<p>1. <b>DPU - Solid Waste, Water, Planning and Engineering:</b></p> <p>Comply with the requirements included within the attached Department of Public Utilities, Solid Waste, Water, and Sewer Memorandum dated March 27, 2023.</p>
<input type="checkbox"/>	<p>2. <b>DPW – Traffic Planning:</b></p> <p>Comply with the requirements included within the attached Department of Public Works Traffic Planning Memorandum dated May 16, 2023, and redline maps dated May 17, 2023, and February 26, 2024.</p>
<input type="checkbox"/>	<p>3. <b>DPW – Engineering (Landscaping):</b></p> <p>Comply with the requirements included within the attached Department of Public Works Engineering (Landscaping) Memorandum dated March 22, 2023.</p>
<input type="checkbox"/>	<p><b>DPW – Community Facilities District (CFD):</b></p> <p>Comply with the requirement included within the attached Department of Public Works Community Facilities District Memorandum dated March 22, 2023.</p>
<input type="checkbox"/>	<p>4. <b>Fire Review:</b></p> <p>Approved as submitted. No appointment or initial required. Approval of this plan does not authorize or approve any omission or deviation from applicable adopted codes and adopted standards. Final approval is subject to field inspection.</p> <p>Correction items #7-11 are to be addressed on Building Plan submittal as noted in applicant response letter.</p> <p>This plan review is a review of the areas noted with a cloud or delta only. Any current or future approval for this plan will be for the clouded areas only and shall not constitute an approval for any areas or changes not shown on the plans with a cloud or delta. Any changes in this addendum plan that affect</p>

fire and life-safety system permits issued by the Fresno Fire Department shall result in an addendum submittal of the fire and life-safety system to the Fresno Fire Department for review and approval.

4. **Fresno County Environmental Health:**

Recommended Conditions of Approval:

- Facilities that use and/or store hazardous materials and/or hazardous wastes, they shall meet the requirements set forth in the California Health and Safety Code (HSC), Division 20, Chapter 6.95, and the California Code of Regulations (CCR), Title 22, Division 4.5. Any business that handles a hazardous material or hazardous waste may be required to submit a Hazardous Materials Business Plan pursuant to the California Health and Safety Code (HSC), Division 20, Chapter 6.95, Section 25507 (<http://cers.calepa.ca.gov/>). Contact the Fresno County Hazmat Compliance Program at (559) 600-3271 for more information.
- The proposed project shall comply with the Noise Elements of the City of Fresno Municipal Code and Fresno County Ordinance Codes. Due to the location of the proposed project near residential uses, all equipment shall be maintained according to the manufacturer's specifications, and that noise generating equipment be equipped with mufflers. Should facility operations change to include future parking of refrigerated trucks or idling of trucks for prolonged periods, a noise study should be conducted that can offer mitigation measures to neighboring residential home owners.
- The applicant should be advised of the State of California Public Resources Code, Division 30; Waste Management, Chapter 16; Waste Tire Facilities and Chapter 19; Waste Tire Haulers and facilities, will require the Owner/Operator to obtain a Tire Program Identification Number (TPID) and possibly a waste and used tire hauler permit from the California Department of Resources Recycling and Recovery (CalRecycle). Contact the local Tire Enforcement Agency at (559) 600-3271 for additional information.
- As a measure to protect ground water, all water wells and/or septic systems that exist or have been abandoned within the project area should be properly destroyed by an appropriately licensed contractor.
- Should any underground storage tank(s) be found during the project, the applicant shall apply for and secure an Underground Storage Tank Removal Permit from the Fresno County Department of Public Health, Environmental Health Division. Contact the Fresno County Hazmat Compliance Program at (559) 600-3271 for more information.

5. **Flood Metropolitan Flood Control District (FMFCD) Fees:**

See attached FMFCD Notice of Requirements (NOR) memorandum dated March 21, 2023, labeled as "**FMFCD 2023-00149 MAILED**". The Memo can also be found within the Conditions of Approval Final Packet as an attachment.

**\$456,578.00 Draining Fee and \$541.00 NOR Review Fee all due on this project prior to the release of Planning Final Approved Site Plan. Provide proof of receipt when completed.**

6. **San Joaquin Valley Air Pollution Control District:**

See attached SJVAPCD memorandum dated March 23, 2023, uploaded into Accela in the Attachments section labeled "**20230246 P23-00149, Crown Enterprises, Inc**". The Memo can also be found within the Conditions of Approval Final Packet as an attachment.

<input type="checkbox"/>	<p><b>7. Building and Safety:</b></p> <p>The following items require a separate process with additional fees and timelines, in addition to the Development Permit Application process.</p> <ol style="list-style-type: none"><li>1. Building, Grading and Utility plans are required to be submitted to Building and Safety Services Division for approval and permits for the proposed project.<ul style="list-style-type: none"><li>• Verify permanent drainage facilities are provided by Fresno Metropolitan Flood Control District (FMFCD). Contact Jason Clark at (559) 456-3292 for additional information.</li><li>• All Construction Documents must be designed, stamped and signed by a licensed Architect/Engineer.</li><li>• Bicycle parking shall be provided per California Green Building Standards Code (CGBSC) 5.106.4.1.1 &amp; 5.106.4.1.2.</li><li>• Clean Air/Vanpool/EV parking shall be provided per California Green Building Standards Code (CGBSC) 5.106.5.2.</li><li>• Electric Vehicle Charging shall be provided per California Green Building Standards Code (CGBSC) 5.106.5.3.</li></ul></li><li>2. Underground fuel storage tanks require Fresno County Department of Public Health approval done through a separate permit process.<ul style="list-style-type: none"><li>• Owner/Designer must submit plans to Fresno County Health Division for approval.</li></ul></li></ol>
<input type="checkbox"/>	<p><b>8. Long Range Planning:</b></p> <ol style="list-style-type: none"><li>1. Property is located in an area with a draft plan in process [South Central Specific Plan] Please see <a href="http://www.fresno.gov/SCSP">www.fresno.gov/SCSP</a> for more information.</li></ol> <p>A. The subject property is located in a county island. The subject property is located in Growth Area 1. Please see Figure IM-2 of the Fresno General Plan for more information.</p> <p>B. The subject property is designated as Heavy Industrial in Figure LU-1 of the Fresno General Plan. Please see <a href="https://www.fresno.gov/darm/general-plan-development-code/">https://www.fresno.gov/darm/general-plan-development-code/</a> for more information.</p>
	<p><b>9. Fresno Irrigation District:</b></p> <p>Comply with the requirements included within the attached Fresno Irrigation District Memorandum dated March 22, 2023.</p>

**PART C - PLANNING DEVELOPMENT CODE STANDARDS**

- 1. Density and Intensity Standards:** Development shall take place in accordance with Section 15-1303 of the FMC.
- 2. Site Design:** Development shall take place in accordance with Section 15-1304 of the FMC.
- 3. Fencing:** All Fencing, Walls, and Hedges shall be provided and installed per Section 15-2006, 15-2718, and 15-2721 of the FMC.

**PART D - PLANNING - OTHER REQUIREMENTS**

1. Development shall take place in accordance with the policies of the Fresno General Plan, South-Central Specific Plan, and with the Employment – Heavy Industrial planned land use designation.
2. Development shall take place in accordance with the (*Heavy Industrial*) zone district and all other applicable sections of the FMC.
3. Comply with the operational statement submitted for the proposed project dated April 5, 2024.

4. Property development standards and operational conditions are contained in Articles 13 (Employment Districts), 20 (General Site Requirements), 23 (Landscape), 24 (Parking and Loading) and 25 (Performance Standards). Any project revisions, development and operation must comply with these property development standards and operational conditions.
5. Development shall comply with the City of Fresno Parking Manual, California Building Code, and American Disabilities Act requirements.
6. Development shall take place in accordance with the "General Notes and Requirements for Entitlement Applications" listed below if applicable.
7. Trucks will enter and exit only from two (2) drive approaches along South Cherry Avenue, and employees and guests will enter from a separate third drive approach along the southern end of the site. All truck traffic will enter and exit from the two (2) northern-most drive approaches. Truck traffic to the site is required to travel southbound only from East North Avenue and from the site is required to travel northbound from South Cherry Avenue to East North Avenue only.
8. Comply with all applicable mitigation measures detailed in the attached Project Specific Mitigation Monitoring Checklist contained in the environmental assessment adopted for the project.

#### PART E - MISCELLANEOUS AND GENERAL NOTES AND REQUIREMENTS

##### **Not all notes and requirements listed below are applicable to all projects.**

1. Approval of this special permit may become null and void in the event that development is not completed in accordance with all the conditions and requirements imposed on this special permit, the Zoning Ordinance, and all Public Works Standards and Specifications. This special permit is granted, and the conditions imposed, based upon the Operation Statement provided by the applicant. The Operation Statement is material to the issuance of this special permit. Unless the conditions of approval specifically require operation inconsistent with the Operation Statement, a new or revised special permit is required if the operation of this establishment changes or becomes inconsistent with the Operation Statement. Failure to operate in accordance with the conditions and requirements imposed may result in revocation of the special permit or any other enforcement remedy available under the law. The Planning and Development Department shall not assume responsibility for any deletions or omissions resulting from the special permit review process or for additions or alterations to construction plans not specifically submitted and reviewed and approved pursuant to this special permit or subsequent amendments or revisions.
2. Approval of this special permit shall be considered null and void in the event of failure by the applicant and/or the authorized representative, architect, engineer, or designer to disclose and delineate all facts and information relating to the subject property and the proposed development including, but not limited to, the following:
  - a) All existing and proposed improvements including but not limited to buildings and structures, signs and their uses, trees, walls, driveways, outdoor storage, and open land use areas on the subject property and all of the preceding which are located on adjoining property and may encroach on the subject property;
  - b) All public and private easements, rights-of-way and any actual or potential prescriptive easements or uses of the subject property; and,
  - c) Existing and proposed grade differentials between the subject property and adjoining property zoned or planned for residential use.
3. No land shall be used, and no structure shall be constructed, occupied, enlarged, altered, demolished, or moved in any zoning district, except in accordance with the provisions of this Code. Specific uses

of land, buildings, and structures listed as prohibited in any zoning district are hereby declared to be detrimental to the public health, safety, and welfare.

4. Development shall take place in accordance with the Standards, Specifications, and Standard Drawings of the City of Fresno Public Works Department.
5. Development shall take place in accordance with all city, county, state and federal laws and regulations.
6. Owners and persons having ownership interest in businesses operating in the City of Fresno (including leasing out any commercial or industrial property, or renting out four or more dwelling units) are required by the Fresno Municipal Code to obtain a Business Tax Certificate. Contact the City of Fresno Finance Department's Business Tax Division at (559) 621-6880 for more information. Information and an application form is available at the following website: [Click Here](#)
7. All proposed building(s) or structure(s) constructed on the property must comply with the prevailing California Building Code Standards.
8. Any building modifications and/or additions not included with this application are not approved with this special permit and would be subject to a new special permit.
9. A permit granted under the Fresno Municipal Code shall automatically expire if it is not exercised or extended within three years of its issuance. Refer to section 15-5013, Expiration of Planning Entitlements, for more information about the exercise of rights.

### **FENCES/WALLS, LANDSCAPING, PARKING**

10. Nothing in the Development Code shall be deemed to prohibit the erection of temporary fencing around construction sites in compliance with the Building Code and other applicable provisions of the Fresno Municipal Code.
11. Future fences shall be reviewed and approved by the Planning and Development Department prior to installation.
12. Fences, hedges, and walls shall be maintained in good repair, including painting, if required, and shall be kept free of litter or advertising. Where hedges are used as screening, trimming or pruning shall be employed as necessary to maintain the maximum allowed height. Fences shall be maintained and shall stand upright and shall not lean.
13. All planting and other landscape elements shall be permanently maintained in good growing condition. Such maintenance shall include, where appropriate, pruning, mowing, weeding, cleaning, fertilizing, and regular watering. Wherever necessary, plantings shall be replaced with other plant materials to insure continued compliance with applicable landscaping requirements. Yards shall be maintained free of refuse, debris, rubbish, or other accumulated matter and/or materials, and shall be maintained clean. Grass shall not exceed six inches in height.
14. New landscaping shall have an automatic irrigation system designed to provide adequate and efficient coverage of all plant material. Irrigation systems shall comply with the requirements of the California Green Building Standards Code and/or the California Model Water Efficient Landscape Ordinance and/or the California Plumbing Code as may be amended.
15. Trees shall be maintained by property owners to be free from physical damage or injury arising from lack of water, chemical damage, accidents, vandalism, insects, and disease. Any tree showing such damage shall be replaced with another tree.
16. No tree for which a Tree Removal Permit is required shall be removed until all conditions of the permit have been satisfied and the decision has become final. In addition, tree(s) approved for removal in conjunction with a development application shall not be removed before the issuance of a Building Permit or unless all of the conditions of approval of the development applications are satisfied.
17. The review authority shall issue a Tree Removal Permit if any of the following general criteria is met:

- a) The tree(s) is irreparably diseased or presents a danger of falling that cannot be controlled or remedied through reasonable preservation and/or preventative procedures and practices so that the public health or safety requires its removal.
  - b) The tree(s) can potentially cause substantial damage to existing or proposed main structure(s) (e.g. dwellings, other main structures, or public infrastructure) or interfere with utility services and cannot be controlled or remedied through reasonable relocation or modification of the structure or utility services.
  - c) The retention of the tree(s) restricts the economic enjoyment of the property or creates an unusual hardship for the property owner by severely limiting the use of the property in a manner not typically experienced by owners of similarly zoned and situated properties, and the applicant has demonstrated to the satisfaction of the Review Authority that there are no reasonable alternatives to preserve the tree(s).
18. Landscaping must be in place before issuance of the certificate of occupancy. A Hold on Occupancy shall be placed on the proposed development until such time that landscaping has been approved and verified for proper installation by the Current Planning Division. **(Include this note on the landscape plan.)**
  19. Future tenant improvements shall be reviewed and approved by the Planning and Development Department to ensure that adequate off-street parking is provided.
  20. Trees required for parking lots are in addition to trees required elsewhere on the site as prescribed in other sections of the Fresno Municipal Code.
  21. Parking lots, including landscaped areas, driveways, and loading areas, shall be maintained free of refuse, debris, or other accumulated matter and shall be kept in good repair at all times.
  22. A minimum number of accessible parking stalls are required for the proposed project per State of California Building Code.
  23. All accessible stalls shall be marked with the international symbol of spaces and a warning that vehicles in violation of Section 10-1017 of the Fresno Municipal Code shall be towed away. The international symbol and tow-away warning shall be posted conspicuously on seven-foot poles. **(Include this note on the site plan.)**
  24. Applicants are encouraged to provide shared vehicle and pedestrian access between adjacent properties for convenience, safety, and efficient circulation. A joint access covenant shall be required. **(Include this note on the site plan.)**
  25. All general standards of Section 15-2015 of the Fresno Municipal Code shall apply when lighting is provided to illuminate parking, sales or display areas. **Depict all proposed lights on the site plan.**
  26. Bicycle parking spaces shall be supplied according to Table 15-2429-D: Required On-Site Bicycle Parking Spaces of the Fresno Municipal Code. Each bicycle parking space shall be a minimum of 30 inches in width and eight feet in length and shall be accessible without moving another bicycle. At least 30 inches of clearance shall be provided between bicycle parking spaces and adjacent walls, poles, landscaping, street furniture, drive aisles, and pedestrian ways and at least five feet from vehicle parking spaces to allow for the maneuvering of bikes. Overhead clearance shall be a minimum of seven feet. A minimum five-foot aisle between each row of bicycle parking shall be provided for bicycle maneuvering beside or between each row, when multiple rows are proposed. Bicycle parking spaces shall not encroach into pedestrian ways, landscaped areas, or other required open spaces, and shall be located proximal to structures.
  27. All general provisions of Section 15-2403 of the Fresno Municipal Code shall apply to all parking areas.
  28. The parking lot is required to meet the [City of Fresno's Parking Manual, Public Works Standards \(P-21, P-22, and P-23\) and Specifications](#). Parking must also comply with the California Building Code's accessibility requirements and the Fire and Solid Waste Department's minimum turning templates. Contact the Planning and Development Department for Parking Manual questions.

## **SIGNAGE**

29. All future signs shall be architecturally compatible with the proposed building(s). Provide a set of drawings, with descriptive information, including, materials, design and colors to allow for a preliminary assessment of the future signage. It is recommended that you provide a copy of the signage early in the project process to allow for staff comment.
30. Signs, *other than directional signs, if applicable*, are not approved for installation as part of this special permit. **(Include this note on the site plan.)**
31. All proposed signs shall conform to the current sign ordinance. The submittal checklist for signs is available online at: [Click Here](#)
32. Window signs limited to the hours of operation, address, occupancy, and emergency information, subject to the following standards:
  - a) Operational windows signs shall not be mounted or placed on windows higher than the second story.
  - b) The maximum area of exempt window signage shall not exceed three square feet in area.
33. Banners, streamers, moving signs, and inflatables (including air dancers, balloons, and similar objects) are allowed subject to Temporary Use Permit approval for establishments within Non-Residential Districts. Signs of this type do not count toward total maximum sign area. No sign per this section shall be displayed for more than 30 days, and a period of 30 must lapse before displaying another sign. Signs shall not be displayed for more than 60 total days during a calendar year.
34. Every sign displayed within the city, including exempt signs, shall be maintained in good physical condition and shall comply with adopted regulations. All defective or broken parts shall be replaced. Exposed surfaces shall be kept clean, in good repair, and painted where paint is required.

## **MISCELLANEOUS**

35. Noise levels shall not exceed the decibel levels described in Section 15-2506 of the Fresno Municipal Code at any time, measured at the nearest subject property line.
36. No vibration shall be produced that is transmitted through the ground and is discernible without the aid of instruments by a reasonable person at the lot lines of the site. Vibrations from temporary construction, demolition, and vehicles that enter and leave the subject parcel (e.g., construction equipment, trains, trucks, etc.) are exempt from this standard.
37. Lights shall be placed to deflect light away from adjacent properties and public streets, and to prevent adverse interference with the normal operation or enjoyment of surrounding properties. Direct or sky-reflected glare from floodlights shall not be directed into any other property or street. Except for public street lights and stadium lights, no light, combination of lights, or activity shall cast light onto a residentially zoned property, or any property containing residential uses, exceeding one-half foot-candle.
38. No use shall be operated such that significant, direct glare, incidental to the operation of the use is visible beyond the boundaries of the lot where the use is located. Windows shall not cause glare that may disrupt adjoining properties, traffic on adjacent streets, etc. Glare or heat reflected from building materials shall be mitigated so as to not disrupt surrounding properties.
39. The address listed in the conditions of approval is the 'Official Address' given to the building. If you would like separate suite or unit numbers for a building, provide a floor plan and contact the City of Fresno Planning and Development Department for 'Official Addresses'. **Only those addresses assigned by the City of Fresno will be recognized as 'Official Addresses'**. The United States Post Office will only recognize addresses assigned by the City of Fresno. If a non-official address is given to a building and or/separate suites, the City of Fresno has the authority to charge a fee and

have those addresses corrected. In addition, the United States Post Office will cease mail delivery to those addresses that are not 'Official Addresses'.

40. All projects, including projects that involve less than one acre of property, are required to comply with the City of Fresno's Urban Storm Water Quality Management and Discharge Control Ordinance, Fresno Municipal Code Chapter 6, Article 7 (Sections 6-701 *et seq.*)

When a project involves one acre or more of construction activity (including, but not limited to, grading) the developer is required to obtain a stormwater discharge permit for construction, with a Notice of Intent (NOI) filed **prior to** commencement of any grading construction activity. Contact the Fresno office of the California Regional Water Quality Control Board at (559) 445-6281 regarding the required NOI and stormwater discharge permit. Additional information on California's construction stormwater regulation may be obtained from the Water Board via the internet:

[www.waterboards.ca.gov/water\\_issues/programs/stormwater/construction.shtml](http://www.waterboards.ca.gov/water_issues/programs/stormwater/construction.shtml)

Helpful information for preparing and implementing stormwater pollution prevention plans may also be obtained from the California Stormwater Quality Association via its website, [www.casqa.org](http://www.casqa.org)

When a project involves specified nonresidential activities (certain commercial and industrial activities), an ongoing industrial stormwater discharge permit is also required. Contact the Fresno office of the California Regional Water Quality Control Board at (559) 445-6281 to find out whether your project/business requires an industrial stormwater discharge permit, and to obtain details on securing this permit. Additional information on industrial stormwater regulations may be obtained from the following website:

[www.waterboards.ca.gov/water\\_issues/programs/stormwater/industrial.shtml](http://www.waterboards.ca.gov/water_issues/programs/stormwater/industrial.shtml),

The California Stormwater Quality Association has additional information on preparing stormwater pollution prevention plans for industrial activities. ([www.casqa.org](http://www.casqa.org)).

41. Screen all roof-mounted equipment from the view of public rights-of-way. **Depict all mechanical equipment on site plan and elevations.**
42. If archaeological and/or animal fossil material is encountered during project surveying, grading, excavating, or construction, work shall stop immediately. **(Include this note on the site plan.)**
43. If there are suspected human remains, the Fresno County Coroner shall be immediately contacted. If the remains or other archaeological material is possibly Native American in origin, the Native American Heritage Commission (Phone: (916) 653-4082) shall be immediately contacted, and the California Archaeological Inventory/Southern San Joaquin Valley Information Center (Phone: (805) 644-2289) shall be contacted to obtain a referral list of recognized archaeologists. An archeological assessment shall be conducted for the project, the site shall be formally recorded, and recommendations made to the City as to any further site investigation or site avoidance/preservation. **(Include this note on the site plan.)**
44. If animal fossils are uncovered, the Museum of Paleontology, U.C. Berkeley shall be contacted to obtain a referral list of recognized paleontologists. An assessment shall be conducted by a paleontologist and, if the paleontologist determines the material to be significant, it shall be preserved. **(Include this note on the site plan.)**
45. Connection to a municipal water system is required unless approved measures are included in the project conditions of approval for an alternative water supply.
46. Connection to a municipal City of Fresno sewer system is required unless approved measures are included in the project conditions for alternative wastewater treatment facilities.
47. City of Fresno water and sewer connection charge obligations applicable to this project will be computed during the building construction plan check process and shall be payable at time of issuance of building permit unless other arrangements have been approved to defer such payments to a later

date. For information relating to water and sewer service requirements and connection charges, contact Frank Saburit at (559) 621-8797.

48. Open street cuts are not permitted; all utility connections must be bored.
49. **CROSS-CONNECTION CONTROL.** A backflow prevention device may be required on the water service. Contact the Department of Public Utilities, Water Division (559) 621-5300 for requirements relating to approved devices, locations, testing and acceptance. This requirement must be satisfied prior to final occupancy.
50. This project was reviewed by the Fire Department only for requirements related to water supply, fire hydrants, and fire apparatus access to the building(s) on site. Review for compliance with fire and life safety requirements for the building interior and its intended use are reviewed by both the Fire Department and the Building and Safety Section of the Planning and Development when a submittal for building plan review is made as required by the California Building Code by the architect or engineer of record for the building.
51. Open storage (outside an enclosed building) shall be limited to vehicles, boats, recreational vehicles, and trailers. Outdoor storages areas shall be screened from public view by building façades or solid fences. At the discretion of the Review Authority, the treatment of the ground surface of the open storage area may be gravel or other materials as prescribed by the San Joaquin Valley Air Pollution Control District, the Public Works Department, the Fire Department, and the Fresno Metropolitan Flood Control District. All open storage must be depicted on the site plan and described in operational statement. If it is not, it is not allowed on the site.
52. If video surveillance cameras are required or installed, provide signs under the surveillance cameras which notify the public that the subject property is monitored by video surveillance.

### **FEES**

(Not all fees will be applicable to all projects.)

Please reach out to Frank Saburit at (559) 621-8797 for fee questions.)

53. **NOTICE TO PROJECT APPLICANT:** In accordance with the provisions of Government Code Section 66020(d)(1), the imposition of fees, dedication, reservations or exactions for this project are subject to protest by the project applicant at the time of approval or conditional approval of the development or within 90 days after the date of imposition of fees, dedications, reservation, or exactions imposed on the development project. This notice does not apply to those fees, dedications, reservations, or exactions which were previously imposed and duly noticed; or, where no notice was previously required under the provisions of Government Code Section 66020(d)(1) in effect before January 1, 1997.
54. **CITYWIDE DEVELOPMENT IMPACT FEES**
  - a) Traffic Signal Charge (Fresno Municipal Code Section 12-4.1101 to 12-4.1103) This project shall pay its Traffic Signal Mitigation Impact Fee at the time of building permit based on the trip generation rate(s) as set forth in the latest Master Fee Schedule. Refer to the adopted Master Fee Schedule for fee rate. This fee shall be paid at time of building permit.
  - b) Fire Facilities Fee (Fresno Municipal Code Section 12-4.901 to 12-4.906) (based on building square footage, or residential units)
  - c) Police Facilities Fee (Fresno Municipal Code Section 12-4.801 to 12-4.806) (based on building square footage, or residential units).
  - d) Parks Facilities Fee (Fresno Municipal Code Section 12-4.701 to 12-4.706) (based on the number of residential units)
55. **CITYWIDE REGIONAL AND NEW GROWTH MAJOR STREET IMPACT FEES** (Fresno Municipal Code Section 12-4.1006).

a) Street Impact Fees shall be due and payable at the time of building permit issuance unless otherwise required by State law.

b) Street Impact Fees will be a condition on all development entitlements granted.

56. FRESNO COUNTY FACILITY IMPACT FEE

Fresno County adopted a Facilities Impact Fee, but the requirement to pay this fee was subsequently suspended by Fresno County. If the fee has been reinstated at the time of issuance of building permits for this project, or an alternative fee system has been adopted by Fresno County, proof of payment or payment of this fee will be required for issuance of building permits.

57. REGIONAL TRANSPORTATION MITIGATION FEE (RTMF)

Pay the RTMF fee to the Joint Powers Agency located at 2035 Tulare Street, Suite 201, Fresno, CA 93721; (559) 233-4148, ext. 200; [www.fresnocog.org](http://www.fresnocog.org). Provide proof of payment or exemption prior to issuance of certificate of occupancy.

58. SCHOOL FEES

School fees must be paid, if required, prior to the issuance of building permits. Contact the applicable school district to obtain fee amount. Provide proof of payment (or no fee required) prior to the issuance of building permits.

59. FRESNO METROPOLITAN FLOOD CONTROL DISTRICT (FMFCD) FEES

a) A FMFCD Development Fee is required for review of proposed development projects, including applications for plan amendments, rezones, special permits, subdivisions, and grading plans. This fee is based on project acreage and must be paid directly to FMFCD in order for that agency to review projects and provide a Notice of Requirements. For more information, contact the FMFCD at (559) 456-3292.

b) FMFCD drainage fees are due, if required, prior to issuance of building permits and are payable at the rate in place at the time of building permit issuance. Unpaid drainage fee obligations that were unpaid for a prior project at the site of a new project must be satisfied by the developer of the new project. Drainage fees may be paid at the Planning and Development Department prior to, or at the time of building permit issuance. They may also be paid directly to FMFCD, and proof of payment provided to the City, in order to obtain construction permits.

60. SEWER CONNECTION CHARGES (Fresno Municipal Code Section 6-304(a)). The following sewer connection charges may be required and will be payable at the fee rate listed in the Master Fee Schedule at the time payment is due. New sewer connection charges adopted by the Council prior to the issuance of building permits may also be applied.

a) Lateral Sewer Charge (based on property frontage to a depth of 100')

b) Oversize Sewer Charge (based on property frontage to a depth of 100')

c) Wastewater Facilities Charge

d) Trunk Sewer Charge

*Effective January 9, 1999, Ordinance No. 98-97 also amended certain sewer connection charges. Fresno Municipal Code Article 15, Section 12 provides property owners the incentives and deletes certain sewer connection charges pursuant to the Simple Tiered Equity Program (STEP) and the Employment Development Program (EDP). For additional information on the STEP and EDP, contact the Department of Public Utilities, Administration Division at (559) 621-8600.*

61. WATER CONNECTION CHARGES: (Fresno Municipal Code Sections 6-507 to 6-513). The following water connection charges may be required and will be payable at the fee rate listed in the Master Fee Schedule at the time payment is due. New water connection charges adopted by the Council **prior to** issuance of building permits may also be applied.

a) Frontage Charge (based on property frontage)

b) Service Charges (based on service size required by applicant)

- c) Meter Charges (based on service need)
  - d) Water Capacity fee (based on size of meter)
62. Deferment of the payment of Citywide development impact fees for Fire, Police, Parks, Streets, and Traffic Signals is available for projects located within the Downtown Priority Areas in accordance with the provisions of City of Fresno Resolutions Nos. 2009-265 and 2010-19.

**PUBLIC WORKS DEPARTMENT GENERAL NOTES**  
**(to be added to the site plan)**

63. Any survey monuments within the area of construction shall be preserved or reset by a person licensed to practice land surveying in the State of California.
64. Repair all damaged and/or off-grade concrete street improvements as determined by the Construction Management Engineer, prior to occupancy.
65. Two working days before commencing excavation operations within the street right-of-way and/or utility easements, all existing under-ground facilities shall have been located by underground services.
66. The performance of any work within the public street right-of-way requires a street work permit prior to commencement of work. All required street improvements must be completed and accepted by the City prior to occupancy.
67. Contact the Public Works Department, Traffic Engineering at (559) 621-8800, 10 working days prior to any offsite concrete construction.
