Upon receipt of a demand described above, an item with two sub-items shall be added to the next meeting's agenda, as follows:

1. The first sub-item shall be consideration of the demand, i.e., whether the challenged action can reasonably be said to have violated the Brown Act. Such sub-item may be considered in closed session pursuant to Government Code Section 54956.9.
2. The second sub-item shall be consideration of the underlying subject matter of the challenged action if the Commission decided, in considering the demand that the challenged action may have violated the Brown Act.

Should the Commission determine that corrective action is warranted as to any challenged action, it shall adopt a corrective action stating that the original action is superseded or rescinded as of the effective date of the corrected action. Such corrective action shall also describe the original action and why the corrective action is being taken.
