Other facts pertinent to this project are as follows:

There are several subdivisions around the subject site. A high school is also within walking distance from the site. This project started 2021 so reaching out to neighbors wasn't an option due to COVID, but we work with city to make the neighbors aware of what we are proposing.

The proposed residential development to be known as "Churchwood Estates" will consist of 62 new es.

1. **Project Narrative:** (*communicate in detail all characteristics of your project; provide as much detail as possible; include basic information such as applicant/project name, business, product or service, anticipated traffic- customers, deliveries, etc., any special events, number of employees, required equipment, on-site storage, demolition or adaptive reuse of existing structures, noise generation, any hazardous materials, etc.*)

The proposed residential development to be known as "Churchwood Estates" will consist of 62 new residential lots to accomodate 62 new single family homes. The current site is vacant and undeveloped, so the proposed development will bring new housing oportunities. New streets will be developed with street lighting to help with security. There will be new traffic anticipated by the residential development, around the hours of 6am-9am and 4pm-7pm. Construction will last a couple of months; this might cause noise and additonal traffic in the vicinity. Once construction is finalized, the proposed project will be a nice view with in the vicinity. The houses design is still to be determined, but we are to proposed something that compliments the surrounding neighborhoods.
